“ Darren was always smiling and making those around him smile. I never knew him any different. Always up for a good joke and a laugh. Darren and Shirley were a unit, that is how I knew them both, together, always making a great team working for the several Boys and Girls clubs that Shirley runs. Darren we are going to miss you so much, our meetings at the Rum Runner every time you and Shirley came down. I am really sorry I missed you the last time you came to drop off the computer and stuff. My mother-in-law got to meet you in my absence and she was very happy that she did. Thank you for being such positive karma in our lives. Shirley, we love you and offer our deepest condolences to your loss, and of course to Darren's family members, as well. Your spirit will ride on with us forever Darren!

“ I worked with Darren and his brothers at Paul's Hauling, in what seems like an eternity ago. He always worked as hard as some and harder than most, even with only 1 leg. Lowe Family, my sympathies to you all, and all of you whose lives he touched. RIP good buddy! You better have a fresh pot of coffee brewing when we meet again!

“ Darren was a wonderful man who will be missed by many. Everyone who knew Darren loved him and children adored him! He had a amazing knowledge,a lot of intellectual knowledge,and a lot of useless trivia but always respectful of others opinions. I will always remember some of the tougher days of his life and cherish the memories of his happiest days! My deepest sympathy to all who mourn the passing of Darren.💔🌹

“ *Dear Gayle, Denise and family, I am so sorry to hear of Darren's passing. Darren has been kind and strong since my first memories of him in kindergarten. Darren has shone a bright light in this world. I always looked forward to his Facebook posts. There were the funny memes, but more importantly, his own words reflected his wit, integrity, and intelligence. Darren will be missed. All my love to your family.*
