

Mr. Darwin Victor Hadler

February 16, 1957 - September 23, 2025

It is with heavy hearts to announce the passing of Darwin Victor Hadler, who left us on September 23, 2025, at the age of 68.

Born on February 16 1957 in Montreal, Darwin lived a life defined by hard work, adventure, and deep love for his family. He built a long and dedicated career as a truck driver, a profession that suited his love for the open road. Whether behind the wheel of his truck or riding his beloved Harley-Davidson motorcycle, Darwin found peace and freedom on the highway. His bike was more than a machine; it was a way of life , a companion on countless road trips. Darwin will be remembered for his straight talk, his sharp wit, and his ability to make people laugh when they needed it most. He was the kind of person who could light up a room with a joke, a story, or just his presence.

Darwin is survived by his partner, Penni Tebbs, with whom he shared many years of companionship, laughter, and unforgettable road trips. Together, they explored the highways of British Columbia and Alberta, creating lasting memories along the way. Penni's family loved him unconditionally like their own. Darwin was a proud father and grandpa, leaving behind his beloved children and their families: Deanna Hadler ,her spouse Mike, and their children Peyton and Lucas. Justin Cromarty, his wife Sarah, and their children Alex and Damien .Glenn Cromarty, along with his children Paisley and Brody. His family ment the world to him and he loved them deeply.

Darwin will also be missed by his siblings — Debbie Hall of Edmonton, Darcy Hadler of Kelowna, and Denton Hadler of Edson, Alberta — as well as by many extended family members and friends who were touched by his wild spirit.

A Celebration of Darwin's Life will be held at a later date.

In lieu of flowers, the family invites you to take a ride, raise a glass, or share a memory in Darwin's honor. GHR!

“ To my brother I will miss your smile, and the way you made my life complete. Every time we would ride time would slow and peace would wash over me. Hold your fist tight on the throttle and crack on it. Ride free my brother.
