“ Dear Dave,

In 1997 we moved to High River and you were the first person I met. You came and put my lawn mower together. I saw you at a garage sale and you helped me home with my filing cabinet. You helped all the neighbours, you always had a smile, we would stop and talk when we were walking the dogs and always gave Josie a pat, and she would kiss you. Knew a good guy when she saw one. You called me when I lost Josie in the park and you found her caught in a tree outside your house. We'd talk about England and how lucky we were to be living in High River. We would grumble about the weather. Rain or shine I'd see you walking and always waved to me and everyone else. I would sit in the park and you'd always stop and pass the time of day. All in all Dave you will be sadly missed and I'm sure we are not the only ones. You were a blessing to Peggy and her garden was always immaculate and full of flowers.

I can see you now in Heaven, smiling and saying "Do you need any help?" You will never be forgotten as you live on in our hearts. If you see Josie up there give her a pat from us.

I know your smiling down on us all, up there in the arms of an Angel. I'm sending you a Green Candle to remind you of all the grass you mowed in High River, how we will miss seeing you.

Love

“ I've know Davey for 30+years. I'm so sorry to hear of his passing. He was one of a kind. So kind and careng, always willing to help when needed. He would take folks to appointments in Calgary and shovel sidewalks, take care of homes when people were away and just be a great friend if you needed one. He will be truely missed. He was loved by young and old.

“ I first met Dave in 1987 when I moved to High River to work for the Town. From the very beginning Dave, with his work partner Ben in tow, would pop by the Culture Centre to make sure everything was running smoothly. That was the beginning of our friendship.

When I bought my first house it was Dave who came by many times to clear the roots from the old clay pipes when they backed up - day or night. And always with a smile.

Seven years ago I moved just down the street from Dave and Peggy. Even on the coldest winter mornings I would see Dave outside shovelling my sidewalk - usually before 6:00 a.m.

He was busy every day- happily helping people out. I would see him walking or riding his bike past my house - always with a smile and a wave, or hauling his lawnmower around in his truck to cut lawns. He had a spirit of generosity that was very, very special.

I will miss you very much Dave.

“ Our family will miss Dave so much. He was one of the first people to come forward and introduce himself when we moved here 15 years ago. Dave was a vital part of our neighbourhood; he was always helping - shoveling sidewalks, doing yard work, visiting older neighbours, etc. We will never forget the care he so selflessly gave to May Bowman. The world has lost a truly great man.

Thank you Dave.... You were always a good friend to my Dad, Ben and my Mom Anne. You always gave of yourself to all those who were unable to do for themselves. My Mom and Dad loved and cherished you as a friend. You always had a hug for me and a hello when ever we saw each other. You will be missed. Thanks for keeping a eye on my Mom after Dad passed away. And now you and him now can go for coffee and talk about the times you had together. Love Marie Jenner and Anne Loeffler and family
