

Mr. David Walter Luchsinger

February 4, 1964 - May 29, 2026

David was born on February 4, 1964 in Leroy Saskatchewan, to Doreen and Arleigh Luchsinger. He was predeceased by his parents and brother Gregory. David leaves to mourn, his beloved wife Marcela, his dog Tango, daughters Mariah, partner Wyatt, and Jasmine, husband Trevor, and granddaughter Ivy Roo. Sister Cheri, and husband Kim Griffiths, brother Shayne and wife Cynthia Luchsinger, and numerous nieces nephews and cousins.

On June 1, 1991, he graduated from SAIT Polytechnic Institute as an Architectural Engineering Technologist. He was then blessed with two wonderful daughters, Mariah (Wyatt) and Jasmine (Trevor), and later the miracle of a deeply cherished granddaughter, Ivy Roo.

Following a life changing experience, he made the profound decision to rededicate his life to God on August 23, 2010, the day he was truly born again. He found his lifelong companion, partner in adventure, and spiritual pillar in Marcela Muzzio, with whom he was united in marriage on August 10, 2018. Together they shared their home with an amazing dog Tango, a faithful companion whose playful spirit and unconditional love brought immense joy, fun, and brightness to their daily lives.

David's life was defined by endless travels and adventures, as his vibrant spirit, creativity and curiosity constantly led him to explore and cross borders.

Together with Marcela and their beloved dog, Tango, they teamed up with Uncle Ernie to find a warm place near the sea, seeking a community where they could enjoy a simpler, quieter life. La Ventana, BCS, Mexico provided them with countless connections and the Spiritual peace of a life connected to nature.

David's focus always remained entirely on the peace of understanding that the Spirit of God is our sustenance. Through his conviction and fortitude, he persevered until a peaceful end. His testimony serves as an example that has deeply touched and moved many of us, and will continue to do so, even in his absence.

We give thanks for his life.

“ We’re sorry we can’t go to the funeral tomorrow because Joyce is sick. However, we hope it’s online. Dave did drawings for our addition and he did a good job.

“ We haven't known David as long as many. I met him on a job sight that he was a project manager for. He had such a kind smiling nature . Then the last few years we enjoyed Dave and Marcela in some Wednesday night study meetings always so kind .

“ Dave I loved your humour. You had a quick wit. One had to ‘run’ to keep up to it!! Loved you hanging around when we lived in Fort Qu’Appelle. Visiting with you later it was plain to see you loved serving God. And you loved the gospel. The last memory of you was in a gospel meeting just a few months ago. And once again a huge smile, not a lot of words but the smile told it all.
