

Mr. David Lausen Meadows

September 11, 1957 - March 19, 2023

Mr. David Meadows of High River, Alberta passed away on March 19th, 2023, at the Foothills Medical Centre in Calgary, surrounded by his loved ones.

David was 65 years old.

David leaves behind his devoted wife of 38 years, Tammy, and a large extended family who will cherish his memory forever. He is survived by his aunt, Irene Maskaant (nee Lausen), uncles Bob (Virginia) Lausen, Bill (Barb) Lausen, and Nelson (Jan) Meadows, as well as his brothers Howard Meadows and Gary (Lesley) Meadows, nephews Geoff (Lynnette) Meadows, Ryan Meadows, Bradley Meadows, and niece Becky (Ashley) West and their families. David was also a beloved brother-in-law to Vickie (Rob) Connor, uncle to Dustin (Kelsie), Jonathan (Melany), and Shaun (Krystal) Connor, and great-uncle to Jace and Ryden Connor, Corbin Connor, Josh and Samuel Connor, and Jessie Connor. In addition, he was close to his uncle Jim (Janice) Watson and cousins Donnie and Sarah, as well as his sister-in-law Marie (Mark) Boehmer and nephews Holton and Ridge and cousins Jennifer, Steven, and James Bell and Neal Parks. He also leaves behind numerous cousins from the Lausen and Meadows families who held a special place in his heart.

David was predeceased by his Grandpa Bill and Granny Leona Lausen, uncle George Meadows, uncle Roy Meadows, uncle Leroy Lausen, and his parents,

Earl and Dorothy Meadows.

Born on Gladys Ridge, David was the third of four brothers, and he spent his formative years on the family farm. Though he loved to travel, David never ventured far from home. His roots ran deep, and he cherished his family, friends, and community, which kept him close to home and the job he loved.

David had a gift for telling humorous stories and had an unmatched ability to truly listen when others spoke to him. He showed profound respect for his coworkers, customers, and farmers, from feedlots to agro centers to grain elevators, and the feeling was mutual. David made friends with everyone he met, and his kindness and patience were attributes that endeared him to others. Many people have said that David was one of the hardest working truckers in Southern Alberta, and he took immense pride in his work and still loved driving.

David's family and friends were especially important to him, and he loved nothing more than spending time with those he cared about. He took pride in knowing so many good people and cherished the memories he made with them during his travels.

David Meadows will be deeply missed by all who knew him, but his legacy of kindness, hard work, and unwavering loyalty will live on in the hearts of those who loved him.

A Celebration of David's Life will be held on Friday, March 31st at 2:00 p.m. at the Highwood Memorial Centre. A livestream of the service will be available on David's tribute page at www.lylereeves.com.

There isn't a better example of a man than Dave. I feel honored to have learned so much from him around a bin or on the golf course.

Nothing brightened my day more than seeing Bigfoot heading towards me on the hwy and getting ready to give him and Wilson a big wave.

The roads will always feel a little bit empty but he will be with me always.

We will treasure our last long visit with you and Dave at the Blackie Breakfast, actually until they we're taking the tables down around us!!! Going back a few years, we had many fun Friday nights at Doug and Kathy's with Dave crooning us a tune or two and keeping us entertained until maybe two or so. More recent memories are of the fun time we spent with you and Dave in Palm Springs. The two of you hold a very special place in our hearts. We saw the love you shared, which shone brightly in each of your eyes . We are so sorry for the deep sorrow and pain you are feeling right now. “ A Legend in every sense of the word.
Dave was an incredible mentor to so many people including myself..
he set the bar for customer service, hard work and dedication to his
community. If grain hauling were hockey his number would most
certainly be retired and his jersey raised to the roof.
I'm really gonna miss crossing paths with him(granted I'm usually
southbound with my 1st load of the day and he's coming up with his
3rd)...or getting regular DOT checkstop reports...or just a good old
fashioned BS session when we crossed paths at a feedlot.
I'd like to say "Rest in Peace" but not sure that would be Dave's
style.. perhaps "Drive into Glory" is more fitting.
10-4 Bigfoot... you will be missed.

“ Shock, disbelief, anger! You know Tammy, almost everyone is at a loss for words right now but these words come to my mind. No one was ready to lose Dave. He didn't deserve this...you didn't deserve this...his family and friends didn't deserve this. I truly believe there's a reason for everything but for the life of me I can't think of one now, I think someone up above made a bad judgment call. He was too young to leave us and still had so much to give to this world.

However when you and Dave unexpectedly and to our delight came to visit us on a Saturday afternoon in November, (it was 5:00 somewhere :) I now know there was a reason for that. Howard ran into you and Dave a lot and had visits with you guys but I never did and hadn't seen you for ages, so you guys coming over that day, though I didn't know it at the time, was my last chance to see Dave and I'm eternally grateful for that. I loved his devilish grin and twinkle in his eyes when he realized I didn't recognize him without his beard and moustache :) And I loved the way he still looked at you with awe and wonder, the love you had for each other knew no bounds! That day you brought us a bag of yummy cookies, still warm from the oven. And in return we sent Dave home with a hug and a case of Covid! :) Unknowingly of course! He and Howard had a great time texting and comparing symptoms, Dave won since he had the least and mildest :)

The band played for our wedding reception when we were married 34 years ago and also sang "You're my only love" for us during the ceremony at church, I have pictured them sitting in the choir loft many times over the years when I think about our marriage vows because that was such a very special part of our day. You video taped our whole wedding day and maybe a long time from now when your broken heart and soul begin to heal we could watch that together, it would be a great opportunity to see Dave at such a young age!

I know that you have an immense support system to help you get through this and know that Howard & I are part of it. Dave left

behind a legacy of love, laughter and friendship that will be forgotten by none.

Goodbye Dave. We are lost friend.

“ *My deepest condolences to you Tammy, and the rest of the Meadows Family, Dave was a great guy, and it was shocking to hear this news. Just shows you life is too darn short to not enjoy doing the things you love. Sending lots of love and hugs to all! 🙏🥰 RIP DAVID*

“ My deepest condolences to you Tammy, & to all of your families. Dave will always be remembered for his big welcoming smile, & always making anyone in his presence, his first line of attention. His great sense of humor, mixed with his attention to detail, & his incredible ambition, were all corner posts of Dave’s daily life. Many great memories of Dave’s life, will be with all of us who knew him, for many years to come, all the very best to everyone, Bert Montgomery❤️🙏

We were shocked and saddened to hear of David's sudden passing. We will always remember the two Daves at Ken & Alana's wedding. You just had to say "Dave" and two guys responded. Forever in our hearts. Bob & Janet

“ Growing up with David as your first cousin and partner in crime was the BEST! I remember being at the farm and getting cows in with him for milking, drinking the sweetest, coldest water with a dipper from the pump house where the milk was put, snaring gophers, building rafts out of old boards that never floated, and wading through half frozen sloughs and back to the house to warm up, all the music,,,,singing and band.. Going to church at Gladys and back for Sunday dinner at Grandma and Grandads,,,all of us. And making stink bombs from Howards lab downstairs.....and they were effective!! The laughing until our sides ached!!! He was my childhood buddy, and was more like a brother than a cousin in so many ways. I will miss you, and love and cherish every single memory of you. We wish to express our deepest sympathies to all of David's family. I (Cyril) first met David when we were in industrial arts class at Senator Riley School in junior high. David was one of the first to make friends with strangers and make them feel welcome. He was always cheerful and made quite an impression on me. He never changed throughout the years and will always be remembered that way by everyone that knew him.
