“ I'm saddened to hear of Dave's passing. He was a such a sweet man that I had the pleasure of working with at Burnco. Even after he retired he would stop by the office for visits to say hello often. I have fond memories of the theatre productions in High River that I would go to and would always see Dave there.

He truly was a gentle giant RIP Dave

“ Cheryl, Jodi, Erin and family our hearts go out to you in the loss of your father, grandfather and great grandfather. Dave and Marlene were one of the first couples we got to know in High River, we spent many weekends playing cards and watching you girls grow up and Terry taught two of you. They were also welcoming when we came back when we moved away and offered their home for a place to stay and of course our time spent with WT P. Dave will be missed, he was a gentle caring person always with a smile of welcome. May God's peace surround you in your grief.

“ *Only smiley memories of Dave. Steve, Dave and I walked a lot of lawn together. We both sipped scotch. We both got yelled at by Cheryl (deservedly so!!). He would share his stories openly and make me laugh constantly. Generous of heart and soul. My man, rest in peace.*

“ My sincere thoughts go out to all of David's family. Knowing Dave for over 55 years, I always enjoyed our visits. He was a very "up" man and I know his presence will be missed, but the knowledge that he and his "Marlene" are now eternally together will hopefully give you peace and comfort. Just enjoy your memories of them both as the past few years have been hard on your family.

“ *Dave was such a blessing to our family when the decision came to move my father in law into Seasons in High River after a life on the farm. Dave gave us all such kindness and a wonderful warm hug and smile every time we visited. He took my father in law under his wing and we are all deeply grateful for his friendship and so saddened by his passing.

While you gather at the Memorial Center on Friday I shall be on a sunset cruise on the Sea of Cortez, I shall raise my voice in a song to Dave and lift a beverage in his honor! By rights it should be Scotch as he taught me to drink it on a One Act Festival trip!
