“ Beverly;

Mom told me today that she had heard "Uncle Danny" passed away. I would like to extend our prayers and condolences on behalf of Carl and Ruth, Carla, Donnalee, and our families. We have many pleasant memories visiting Uncle Danny and Auntie Mary in Canora, in participating in your family's events , and regular visits on the weekends, or watching the Grey Cup on a Sunday afternoon. May Uncle Danny rest in peace where there is no sorrow, but everlasting life.

Karen Wasylenko and families of Carl and Ruth Slegel.

PS - The parades in Canora were the best when your dad would work so hard to get all of his beautiful vehicles all shined up to drive through town. 😊

“ Beverly, Mandy and Yvonne
Uncle Danny was one of the most and hardest working men ever. He loved to tinker and nothing he could not fix. Uncle Danny never brushed us kids off he would take time and teach us how things worked.
I was fortunate to have uncle Danny at work with me on my weekend and took pride in explaining how our heating plant work.
He was a big influence on all of us who loved Canora.
