“ I have so many good memories of Denny..... growing up, attending school and playing hockey together in Claresholm, it is hard to pick just one, but one that comes to mind, is playing my best round of golf ever, with Denny at Falcon Lake, during a visit with Denny & Mona too many years ago. He was a very good, loyal friend, whom I will miss dearly.

“ Growing up as first cousins, Denny and I shared many special times together through the years. Our families visited often and he and I had many good times together. One of the last was when he kicked my butt on the High River Golf Course 2 or 3 years ago, but due to health issues he suffered, I never had the opportunity to return the favor at my course.

Mona and Darren, I know you'll miss him terribly, but I know you are strong people with a strong support system around you. My thoughts and prayers are with you.
