

Mr. Denny H. Loree

February 9, 1953 - May 12, 2012

Mr. Denny Hartley Loree passed away suddenly near St. Brieux, Saskatchewan on May 12, 2012 at the age of 59 years. Denny is survived by his loving wife Joan; son Mackenzie; mother Donna Dunn.

Denny is also survived by a large extended family Grant (Wendy) Loree, Murray (Deb) Loree, Brenda (Dave) Harris, Catherine (Dean) Fontaine, Janie (Del) Lucas, Suzanne (Don) DePaoli, Fran Randle, Jim Randle, Maureen Peck, Hugh Dunn, Jennifer (Steve) Fraser; nephews & neices Justin, Brett (Amanda), Dayne (Jocelyn) Loree; Landon Harris; Aylsha, Madison and Shea-Lyne Fontaine; Corrie, Jan-Del and Noel Lucas; Colter and Steele DePaoli; Quinn, Tyler and Matt Reih; Mitch Randle; Jody Peck; Tyson, Rachel and Tara Dunn as well as his special cousins John, Ben and Wayne Loree. Denny was predeceased by Lloyd Loree, Denny Dunn, George Randle and June Randle.

Denny was born on February 9, 1953 first child of Lloyd & Donna Loree. Denny lived his whole life on the farm a few miles from Nanton. He always knew what he wanted, and being of that farm was a huge part of it. He loved Nanton and his farm. His bright positive attitude, honesty & integrity developed lasting friendships. He loved animals and had a kind and gentle way with all. Denny loved ranching & farming and took great pride in all his work. He loved to finish what he started. He was confident and gentle and had a way of bringing esteem to people and animals. It wasn't a coincidence that he had a great horse, kind dog and a cat on his knee.

Denny got his education in Nanton, Claresholm and Olds College. He played sports, went to 4-H, belonged to Promoters and supported his communities. He was the President of the Feeder Association and loved being part of the Mossleigh community. Farming there gave him the opportunity to embrace a whole new group of great people. Being a good citizen was important to him. Denny & Joan were married on July 22, 1978, he was a strong, gentle and loving partner. Mackenzie was born in 1983 and the three of them became a powerful team. They worked hard, played hard, supported each other, and built an amazing life. Denny was a natural teacher and had a powerful, positive influence on so many people. Everyone who worked with him and for him, loved him.

Life took a whole new meaning when he got his pilots license and at the age of 50 he soared. He never stopped studying and improving his skills. He was the most amazing aviator. His quiet confidence, enthusiasm and responsible nature was a perfect match to be a good pilot. His passion for flying was unexplainable. It's what he thought about, read about and talked about all of the time. He flew almost every day and logged over 1000 hours in ten years. He truly was a man living in his bliss.

The loss of this great person is beyond sad. All who knew him, loved and respected him. We have lost a great one.

A Celebration of Denny's life was held on Thursday, May 17th at 2:00 p.m. at the Nanton Lancaster Museum. If desired, memorial contributions may be made to the Bomber Command Museum, Box 1051, Nanton, Alberta, T0L 1R0.

“ Joan and Mac, Garry and I, along with our family, send our support and love to you both. Denny was our buddy. So many memories of the four of us enjoying our friendship, and trips together. We are so going to miss coming to pick you both up at the landing strip at Wasa, watching you fly around the end of the steeples as a dot in the sky, hearing the distant motor and watching with excitement as you got closer and closer until you landed and taxied up to our waiting truck both wearing huge smiles. Such special times. How lucky we feel that we were part of your lives. Until we meet again, old friend. Heather and Garry Kohut

“ *Joan, Mackezie and the extended Loree families,
Words can't tell you how sorry we are to hear about Denny..No-one
needs to tell you all what a wonderful man he was. He always came
into the shop with a huge smile on his face, with a big hello to
everyone sitting there.*

*I remember the first time he offered to take me and the kids up in
his plane. I had mentioned that my sister and brother lived up north
and I didn't get a chance to drive up there often, so without
hesitation he told me next time I wanted to go, to give him a
call..that was Denny. Always there to help. Sadly, we never got to
take him up on it.*

*He will be missed so much, by everyone that knew him, and on
behalf of our family, I would like to say an Arabic prayer for
Denny..Allah yourhamak wa yibatilkoun al sabur wul faraj. May God
bless him and send you patience and and peace.*

Ann and I would like to express our deepest sympathy at this time. As long time neighbors and friends we have truly cherished the times we have spent together. Many great memories were made together. Those are the times we have to focus upon.*

We are having extreme difficulties expressing ourselves. Hopefully we will be able to have time in the near future to make new memories and recall old ones.

Unfortunately we will not be able to attend the funeral, however we will be there in spirit and, through the internet, will be able to attend the service.

We will be there for you, Mackenzie and Donna and will be in touch when we return home.

Our prayers are with you and the family. May you find solace and peace .

Remembering Denny

High Flight

*Oh! I have slipped the surly bonds of earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds - and done a hundred things
You have not dreamed of - wheeled and soared and swung
High in the sunlit silence. Hov'ring there
I've chased the shouting wind along, and flung
My eager craft through footless halls of air.
Up, up the long delirious, burning blue,
I've topped the windswept heights with easy grace
Where never lark, or even eagle flew -
And, while with silent lifting mind I've trod
The high untresspassed sanctity of space,
Put out my hand and touched the face of God.*
