“ Devin has always been a good friend, full of hugs and that huge smile. I don't think I ever remember Devin saying a negative word about life or others, he was always such a role model for "living". Many memories fill my mind of Devin in high school and then the constant visits over the last few years. I will hold on to those memories and will always remember such a kind, fun, and wild man...Sure will miss him! My heart goes out to Erin, whom I never met but know how highly your husband spoke of you. Abby and the rest of the McCutcheon family, you did a great job at creating such a wonderful man...we now have a very "spunky" angel in heaven.

Love,

Layne MacKay
