“ *Dianne was truly a welcoming presence in our church. Her warm smiles and hugs will be missed. Dianne and Bill generously contributed so much to our faith community in so very many ways; Dianne leaves a legacy of kindness and friendliness for us to remember her by as we go about our ministries with her presence and example in our hearts. Bill, you were so very loved and Dianne treasured your love. We pray that fond memories help to eventually abate your profound grief.*

“ I have had the pleasure of grooming both of Dianne and Bill's fur babies Nakota and River. Dianne was such an amazing friendly person and I didn't feel like she was just a client, but a true friend. She had the smile that could only make you smile back. I will miss her dearly. Dianne was the kind of person that you could call mom even if she wasn't because she had a heart that was truly filled with love. I loved hearing from her each and every time she would book her fur babies in for a spa day. It was too soon to say goodbye. My thoughts are with you Bill.
