“ *Domenic was a dear and awesome friend. He was extraordinarily caring, generous, helpful and always happy and these qualities he had made him a unique, outstanding and remarkable humanbeing. We were always happy to be in his presence as Domenic liked hanging out and laughing with his friends. The last time we had a chance to spend time with him was in February 2013 in Fort McMurray while he was on time off from work. We never did get a chance to say goodbye to him and our hearts broke when we heard he had lost his life in such a tragic way. We think about him often and our thoughts are with his family and other friends who certainly miss him as much as we do. We will not say goodbye to you yet Domenic as this is only a ....see you again soon our dear friend, we love you very much!!!! with love....Gary and Guylaine (Montreal)*
