“ *Richard, Maria and families. Thinking of you all during this very sad time. Your dad was awesome. Always had time to stop and say hello and have a nice conversation with. Was quite comical in his shy way. Take care of one another and talk of your dad often. Your dad will be missed. R.I.P. Don. Godspeedj*

“ *My Father's passing, both an extreme event and shock, but also a relief of his pain and suffering. We had fingers crossed moving forward from his spine surgery.*

All he wanted was free from the pain. He fought through it all, everyone was there by his side. God knew when it was my Father's time.

He is free now. We will see him again. The most beautiful soul you will ever meet. We know that you are where you belong.
