

## Mr. Donald "Don" Robert Pipe

October 31, 1947 - August 20, 2025

It is with great sadness that we announce the peaceful passing of Don on August 20, at home surrounded by his family.

Don was born in Calgary in 1947 and met his future wife Linda in high school. They were married in the fall of 1969 and in 1978, set down their roots on the Gladys Ridge.

A passionate and prolific artist, Don drew inspiration from the land around him, while working as a commercial graphic designer for 41 years. He will be remembered for the pride he took in the life and home he created, his creativity, and his lifelong love of sports.

Don was an active member of the community, volunteering for many years as a coach in the Okotoks and Calgary minor soccer associations.

He is survived by his wife of 56 years, Linda, daughters Jocelyne (Logan) and Erin (Nadil), sisters Joyce (Jim) and Karen (Mark) and their families.

The family would like to extend heartfelt thanks to the staff at Foothills Hospital for their tremendous care.

Per Don's wishes, there will be no formal service.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass)

“ We are saddened to hear of Don’s passing. Our condolences to Linda and her entire family. I am thankful I was able to visit with Don recently; he was his usual self in spite of his illness. I enjoyed working with Don for many years in Calgary. He always came through with great ideas and great work in his job. Don and Linda always offered up their acreage for many annual company barbecues. He made them a real fun time.

“ I am so sorry to learn of the passing of Don. I first met Don when he coached my daughter in goaltending with Okotoks Minor Soccer. He taught her so much. Don was an awesome coach, extremely knowledgeable. When I worked at Okotoks Regional Fieldhouse as a manager for 8 years, Don would come and walk all the time. It was great to see him staying active and I loved listening to him talk about his wife and children. My condolences to his family.

“ *Profoundly saddened by this news. My sympathy and condolences to Linda, Jocelyne, Erin and Don's wider family. It was a pleasure and delight catching up with Don and family at High River in July 2024.*

*Don was an extraordinarily talented artist and designer. A small part of Don's artistic legacy will live on here in Australia, through a large collection of his artwork and prints. The arrival of a Christmas card from Don each year was highly anticipated. My local framing company loved his talent and artistic work as well!*

*I always looked forward to High River catch-ups with Don and Linda over five decades. Don was a very generous and supportive friend to all. We will all miss him immensely.*
