“ Dear Brigitte,  
So very sad to hear of Wayne's passing. I will always remember sitting at your table in Millarville, listening to Wayne talk about riding and camping in the mountains. It is what sparked my enthusiasm as well. He will be fondly missed.

“ Brigitte, Jennifer, Jonathan, Nicholas,

David and I are deeply saddened of Wayne's passing. Many memories, stories, hunting and fishing excursions were shared both out West and Eastern Canada over a span of a few decades..Always will remember. Rest in Peace Wayne.

May you find peace on the other side of sorrow . May you find comfort on the other side of loss . And most of all, may you find in this sad farewell, that love lives on in the memories of the heart.

*Jerry and I are very saddened to hear of Wayne passing. He is one of Jerrys finest friends as well as mine. Wayne always had a big smile, big hug (but gentle) and a little peck on the cheek when we visited or he visited us in Kingsclear. Jerry was so happy to see Wayne visit for old chats of old times and catch up on gossip. We will never forget this kind and lovable man.*

*Our sincere condolences to all of you . Gone but will never be forgotten.*

“ Kevin & I met Wayne shortly after he & his family arrived in Calgary, he was the 1st Eastern Canadian I'd ever met, & what little I know of Eastern heritage was learned from Saturday nights spent at "Eastern kitchen" parties, great food & playing Trivial Pursuit,. Although we'd not seen Wayne in 30+ years, every time I'd see that game or a city worker up in a bucket working power lines, Wayne came to mind. Sending our deepest sympathy to his family, hoping you find courage in this sadness. RIP Wayne

“ Dear Jon,  
I am so sorry to hear of your Dad's passing. My prayers and thoughts are with you and your family at this sad and difficult time. Norm passed away 8 years ago, so I understand the difficult time it will be for your Mom and all others who he were close to him. Coincidentally, your Dad's memorial service is on the same day Daniel passed away 16 years ago.

Sincerely,  
Louise Belanger
