

Mr. Donald Lyle Jarvis

September 15, 1940 - March 9, 2026

Donald Lyle Jarvis, age 85, passed away in High River, Alberta on Monday March 9th after a brief battle with lung cancer.

Don was an avid golfer and fortunate enough to continue playing right up to the days before being diagnosed in the fall. Two of his simple pleasures were cutting the grass while riding his tractor mower and taking long drives throughout the foothills of southern Alberta. His favourite days included a long drive in the countryside, lunch at the Heritage Inn and watching his grandsons sporting events.

Don is survived by his wife Jane, children Guy Jarvis (Charlene), Patty Berg (Warren), Sandy Fleury (John) along with seven grandchildren, five great grandchildren and his brother Gord. He is pre-deceased by his mother Aldona and brothers Allan, Lorne, Deryl and Bob.

A family celebration of Don's life will be planned for the summer in Carlyle, Saskatchewan.

Don's final days were spent in the High River hospital and the family wishes to thank the doctors and nurses for the care he received during that time. In lieu of flowers, the family kindly requests that memorial donations be made to the High River District Health Care Foundation at www.highriverhealthfoundation.

“ Don did indeed love his golf outings - even with playing partners that thought they were just playing for fun and too often granted themselves mulligans. His last game with us was typical - he won (as usual), shot his age (which he did twice that month; ho hum), smirked when he sank a few long putts (" what, you didn't think I was going to make it?) , insisted on driving the cart, credited Saskatchewan with being the reason for all things good, and likely wanted to go somewhere that served liver and onions for his victory lunch. We'll certainly miss his unique charm and occasional scoldings, his detailed and ever so proud updates on his hockey playing grandsons, and our golf games that always included "Donisms" that had us looking forward to the next time. Our sympathies to all who knew him; a toast to a "one of a kind" we lost too soon.
