“ *Betty & Joani.*

My heart goes out to you in the loss of your husband and father. What a privilege it was for me to get to know and work with Don over the years.

The sentiments expressed by many as to his character are so fitting.

May God's presence and comfort be with you Betty and you & your family Joani during this most difficult time.

“ *Poppa Don - a true cowboy who lived the code, kindness and respect to all. Always a tireless cheerleader, a voice of reason, a gentlemen and a gentle man. Many years spent hearing his voice cheering for the kids at high school rodeos and roping's. Always most welcoming smile, a good joke, and just an all around great person who championed the success of others in and out of the arena. We've lost a great cowboy. Our thoughts are prayers surround you all at this most difficult time*
