

Mr. Donald Alfred Tannas

April 25, 1938 - November 26, 2023

Donald Alfred Tannas “Don”, born April 25, 1938 at Marwayne, Alberta. Passed away at the Foothills Hospital in Calgary, Alberta on November 26, 2023. He died peacefully surrounded by his family – He was 85.

Don is survived by his wife, of 62 years, Christine Tannas as well as his children including oldest son Senator Scott Tannas his wife Taryn, their children Mary, Emily, Zach, and Alex. Second son Bruce Tannas and his wife Lora and their children Kirsten and Bryan. Don is also survived by his sister Dorren Busch as well as his 4 great grandchildren.

Don was the second child and only son of Alfred and Mildred Tannas. He grew up in several Alberta towns and villages as his father and uncles moved around the province opening and operating several retail grocery and hardware stores.

Don obtained an education degree from the University of Alberta in Edmonton, where he met and married Christine Mason, a nurse who recently emigrated from Scotland. The newlyweds moved to High River and took up jobs in their respective professions. Don taught in Cayley and Blackie Schools before stepping into administration as Principal at Blackie School. Over the next three decades Don’s career was focused on education and administration, including being Principal at Longview School and finally Joe

Clark School. He also continued his own professional development and education, earning two postgraduate degrees.

In 1969, Don and Chris along with their two young sons embarked on a two-year adventure in Uganda while working for CIDA. Don taught in a teacher training college and Chris provided local villagers with medical care from a small makeshift clinic on the college grounds. Their African adventure brought many friendships and spurred a lifelong passion for international travel. When they returned from Africa, in addition to their day jobs, the couple opened a successful travel agency in High River. They became their own best customers by continuing to travel the world.

In 1989, Don decided on a new career entering provincial politics, where he was elected MLA for constituency of Highwood. For the next 14 years Don proudly served in the Getty and then the Klein governments, much of the time as Deputy Speaker of the Alberta Legislature.

Community service and the friendships that came from working together were an important part of Don's life. He was an active member of Rotary International, serving in the High River Club, over a span of seven decades.

Don lived an active and interesting life. He did his best to be of value to his students, his community, and his province. But nothing was more important to him than his wife and family. He and Chris were best friends and loving partners, raising sons Scott and Bruce, supporting them in their lives and careers and being loving grandparents and great grandparents.

For all he accomplished, he was a quiet and gentle man. Thoughtful and trusting and he was trusted in return. His loving sons strive every day to live up to his example. He will be missed by family, friends, and the many people he touched in his life.

A Celebration of Don's Life will be held at the High River United Church (123 Mcleod Trail) at 2:00 pm on December 9, 2023, with a reception to follow. For those unable to attend, the service will be livestreamed on Don's Tribute Page.

Don was a dear and special person in my life. He was a fixture in my childhood; where he and Chris were members of the 'gourmet club' - a quarterly feast rotated between the Tannas, Cople, Burton and Pope homes. When we were very little, my brother Jon and I would get all dressed up when it was 'Jacquie & Peter's turn' in the hope of joining the party! Sometimes we would serve the hors d'oeuvres and Don always took extra with a sly wink! Following my completion of my BA in Political Science (Don was delighted!), I turned down a brilliant entry level policy role with the Alberta government because I "didn't want to move so far away from my [then] boyfriend" (Don was aghast!). I recall him looking thoughtfully in my direction and saying "Mmmmm, I expect this is something you'll reflect on later in life". Indeed! Some years later, Don wrote a personal letter of reference in support of my migration to Australia... and I was glad to see him & Chris each time I returned home (at first solo, and then with my husband and children) to Canada for Christmas and other events. And it was Don that reassured his own son when it was time for young Emily to 'backpack' in Australia. She stayed with us (and not some grubby hostel!), which I took as a sign of trust built over, well... my whole lifetime! Together with Chris, Don offered our family (and especially my dad) a soft place to land when my mom passed away. There will always a space where Don was. Heartfelt condolences from our home in Brisbane. Much love, Nicole, Shane, Issy & Jack Stephensen

“ *It is with great sadness that we recently learned of Don's passing on November 26th and extend our heartfelt condolences to you Chris and your family. We have many positive and grateful memories of connecting with Don during his time as an MLA, with him being positive and supportive of advancing critical care air ambulance service in our province. We were all the beneficiaries of his wisdom, grounding words, experience, and compassion - and always a welcoming smile. His impact and influence has been felt in many sectors, and that legacy continues today. A life truly celebrated and we hope your memories will hold you softly into the future. “ My heartfelt condolences to the Tannas family. Don touch so many aspects of our community starting with its youth and far beyond. He was a gentlemen and a proud community supporter and champion. I recall he shared in the Legislature, when referencing the community's success in raising funds and establishing a Cataract Surgery program here at our Hospital, "this is an example of a community who didn't wait for the boat to come in, they rowed out to meet it." Don was often one of those who was rowing the boat.

My deepest condolences to the family of such an extraordinary man. Mr. Tannas was always such a joy to see in our Western office. Always a smile on his face and a kind word to speak. I will never forget one bitterly cold day in March of 2014 I came out of the office to find Mr. Tannas and another Western employee on their knees looking into the wheel well of a car! When I asked what they were up to - they told me there was a kitten hiding there. Somehow in the bitter cold they retrieved that lucky little kitten - Mr. Tannas put him in my arms, we wrapped him up in a blanket and off to the shelter I went. Actions such as this are the actions of a great man whose compassion touched so many - including a lucky little kitten.

“ A very nice service today and a wonderfully deserving tribute to Cousin Don. My only regret being that we could not attend in person as had been planned.

Our thoughts are with you, Chris, Scott, Bruce and your families. It was very apparent that he had a big impact on his grandchildren's lives.

Please take care as well Doreen I know you and Don were close.

“ Dear Chris, Scott, Taryn, Bruce, Lora and families,
I am so sorry to hear of Don's passing. I send you all a hug from New Zealand. I feel incredibly sad. Don was my first host Dad when I arrived in High River as a 17 year old Rotary Exchange Student in 1983. Don was a kind and thoughtful man and took me on many trips exploring Alberta and sharing his knowledge of Alberta's history. Don and Chris, along with Bruce, took me on many memorable ski trips, all the way up and down the Rockies and down to Whitefish Montana. We had so much fun!
Don and Chris have had short trips to New Zealand over the years, while stopping in port on their many cruises. On one trip we had lunch with my parents Rex and Angela on their farm in Pukeatua. It was special for them to meet Don and Chris. Rex and Angela send their condolences.
I have been back to Canada three times. My husband Paul and I stayed on our honeymoon in 2018 and Don and Paul enjoyed some flying related visits. Paul's thoughts are with you Chris.
I visited with Don and Chris when I came to Canada in July this year for the 40th reunion of Senator Riley High School. Don and Chris were again generous in having me stay with them. Don stayed up every night, no matter how late I got in, to make sure I got home safely. It was just like being a teenager again!! They got to meet my daughter Gabby and her boyfriend Ryan. Gabby and Ryan send their love to you Chris (and thank you for folding all their washing!)
Don was a great communicator and I am so grateful that he took the time to stay in touch over the past 40 years, sending many emails and letters and Xmas cards. I will miss Don and this connection with High River so much.

Don was principle at Longview school when we moved to Pekisko. The atmosphere on the school was warm, inviting, invigorating and kind. Don was tough when he needed to be. Accepting to all he brought the best out in students, teachers, and parents. School work was done and most special including students families and the local communities. It is an honour to have met Don and so very grateful my son started his education with this warm, caring and exceptional man.

UNCLE DON was the most important adult male in my life from adolescence onwards – albeit he was so from a distance. When asked he responded, he listened and when appropriate spoke with wisdom. I loved, trusted and respected my uncle. He lived a stellar life; his obituary documents that in so so many ways. “ Dear Chris, Scott, Taryn, Bruce, Lora and family we are so very sorry for your loss. Words seem so very inadequate when summing up what Don meant to the Cutforths. First and probably most importantly, he was our children’s grade seven teacher and principal at Joe Clark School. Grade seven was such a formative important year in the lives of the students he shepherded. Thank you, Mr. Tannas for inspiring our children.

In 1989 Don decided to try his hand in politics, we were in attendance the night he was elected as the Conservative Candidate for Highwood. We helped out campaigning door to door and to our delight, he won! I decided to try my hand in politics the same year as one of the High River Town Councillors. We were all green at our newly elected positions but Don was our go to MLA for 14 of the 18 years I served. Don was a very hard working Member of the Legislature. Deputy Speaker, means you are respected by your peers, and highly respected he was. Thank you, for the days and late nights you served Highwood on behalf of all our citizens, Don. Lastly, my association with Don was through my employer, Western Financial Group. Don capably managed our Western Foundation for years after his retirement from the Legislature. Many may not know this but Western Foundation donates thousands of dollars annually to the communities they have offices in and serve across Canada. Don’s experience made him the perfect person for the job and a fabulous job he did, supporting the communities. Every employee was proud of the projects that were funded through the Western Foundation.

But, you know what, I think, Don’s greatest quality was? It was his ability to stop and chat with people he knew wherever he was, Canadian Tire or downtown. Yes, he might want to have a little chat about politics but he had an ability to make everyone feel for those few moments you spoke to him that you and what you had to say were important to him. Now, that is a true art of a great politician. Thank you, Don for your years of service. You really did make a difference. Rest In Peace, our dear friend.

“ To the Tannas family my condolences---I think Blackie was Don's first teaching position , he was my teacher and basket ball coach and was good at both. In later life I enjoyed visiting with him on the street or at the bank. Again my Condolences...David Stewart

“ Condolences to the Tannas family at this difficult time. I enjoyed visiting with Mr Tannas at work and church. He was a kind and knowledgeable man. He once gave me a picture of my Grandma's house that he had and which I cherish. Peace be with you all.

“ Chris, Scott, Bruce and families,
Our condolences, thoughts and prayers to all of you on Don's passing. We were shocked to hear this news.
Don was a significant contributor to his community and province through the many hats he wore during his life. Rotarians respected Don and Chris for all he and they contributed to Rotary. He was an exemplary member.
A quiet unassuming individual whom you could trust and rely on for support in many ways. Also an adventurous, industrial man with a big smile and friendly character. He was an example for all of us to follow.
Rest in Peace Don.
Your fellow Rotarians.
