Awe, so sorry to hear of Donna's passing. She was my nursing manager in Black Diamond, and was such a pleasure to work with. She valued you, and it showed in her trust in you. Will always remember her with the fondest thoughts! Sympathies to all the family.

“ I worked with Donna in Black Diamond. It always struck me how good of a nurse and human being she was. She cared for every patient as if they were her first and only patient. She had such a great sense of humour and always reverted back to it during times of need when we had challenging circumstances with limited resources. I worked with her in my younger working years and I would often watch Donna in amazement as she moved quickly between patient rooms and the ER. Not only was she an intelligent and well trained nurse, she was funny, compassionate and a very good human being. I was very sad to hear of her passing but very fortunate to have known her in the limited capacity such as I did.

“ I had the privilege of working with Donna while she was Nurse Manager at Sunrise Village. She was more than just a coworker was our teacher, our supporter, our friend. She was a safe place to vent, and the perfect person to ask for advice. I will forever be grateful for our time we had together. After Seasons we would run into each other around town and she always greeted with a smile and great catch up conversation. I will always remember her kindness. My Deepest condolences to her family.
