“ *Dorothea was a very lovely lady and a great pleasure to spend time with. I remember one time I was telling her that my daughter was angry with me and not speaking and Dorothea said as clear as a bell that's okay don't worry about it it'll be fine. Dorothea was a lady of wisdom and humor. My thoughts and prayers are with the family.*

“ *Ms Dorothea made it into my heart within the first day I met her. Think the cutest memory I have is when I was moisturising her up, and I forgot the hands, she sure corrected me, told her me bad and fixed that quickley. God has finally taken her home. Blessings to all family members.*
