“ Kathy, Kendall, Cory, Shelley, and families. It is a real privilege to know you, Doug, and your wonderful family, all these years. All those early mornings Doug would load me with Canola, the great party's we had at the elevator, Blackie Trucking, and end up at your house, always the gracious host! The Lethbridge Lodge weekends, where we would party and sing into the wee hours (not always to the managements approval!) Doug named me Bigfoot when I first started driving, and it has stuck for 40 years. We will remember Doug with a story and a smile forever. You are all in our prayers. Love Dave and Tammy💕💕

“ Dear Kathy and family. I am truly sorry for your loss. Doug will always be remembered for his humour and sincere love for his family. I feel very fortunate to have known him. There was no other, that could share a good joke or phrase with a straight face. I remember all the fun times, like it or not being out at the pig barns learning the ropes, despite the smell. The first time I played mini golf at Bedrock City, and belting that golf ball across the highway. He was such a good husband and father and will be greatly missed. Hugs to you.💕💕. Marcia

“ Kathy, Pat and I send our deepest sympathy to you and your family. Norma via Arlayne has kept me posted this past year or more. You have endured so much - I admire your strength. When I remember Doug I think of the 2 of us picking up bales when I could barely drive and I braked too hard and knocked him right off the truck. He didn't laugh. (I was 11) There are so many memories of family events. He will be missed.
