

Mr. Douglas James Gardner

December 25, 1942 - December 14, 2019

Doug Gardner of High River passed away peacefully on December 14, 2019 at the High River Hospital in High River at the age of 76 years after a courageous battle with cancer. Doug is survived by his loving wife Janet; daughters Debra and Susan (Jamie Curran); granddaughters Kayleigh, and Kennedy; Janet's daughter Christyann (John Darwent, Hugh & Neal); mother-in-law Marion Bennett; brother and sister-in-law Gord and Sharon Leigh; niece Jennifer (Jonathan and Charleigh), and nephew James (Tara and Cedar). Doug was predeceased by his mom Laura (1996) and dad Harry (2014).

Doug was a wonderful husband, dad, papa, uncle, and friend to all who knew him. He was always positive and tried to see both sides to situations. His gentle kindness will be treasured. Family was always very important to Doug – especially his two granddaughters. Doug took pride in his teaching and coaching career, his time as a school board trustee, as well as being involved in numerous community organizations, and in the business community.

“ Condolences to you, Janet, and your family on your loss of Doug. My name is Shirley Branton, and from 1960-1966 my husband, Rev. John Branton and I lived in Canora, Saskatchewan where Doug was a member of our very active youth group at Canora United Church. We knew Doug, his Mom and Dad and the family well. It is well over 50 years since I would have seen your special husband and dad but from his picture I can see that he became someone with whom people would like to associate.

“ My name is Alvin Law and if you weren't aware, I was born without arms in 1960 and at five days of age, given up by my birth family. A week later, I was introduced to Hilda and Jack Law of Yorkton, Saskatchewan and they were 55 and 53 years old and occasionally took in foster children. I was very blessed to become a permanent member of the Law clan and their Canadian roots were thirty minutes up the road in Canora. I credit my success in life on many factors but a big one was my parent's friends.

Two of those friends were Harry and Laura Gardner and I can feel their imprint on my life to this day. They had a son, Doug. I spent more time with his parents than I ever did with Doug when I was growing up and in retrospect, our lives never converged as much as I would have hoped. But my wife Darlene and I spent short visits at our beloved Crystal Lake very Summer for the past 15 years and loved to reminisce about our lives and the benefits of the incredible people who loved us.

You will be missed but your impact while on earth will be felt by countless people forever.

All our love to Janet, Susan and Debra and the extended families.
