

Mrs. Earla Yvonne Sapinsky

April 25, 1948 - January 31, 2026

With love and gratitude for a life devoted to caring for others, we share the news of Earla Yvonne Sapinsky's peaceful passing on January 31, 2026, in High River, Alberta, at the perfect age of 77.

Earla was born on April 25, 1948, in Calgary, Alberta, and grew up in Calgary, Hussar, Gladys Ridge, and Blackie areas. She spent most of her life in High River, where she built a home, raised her family, and became a familiar and caring presence in the community she loved so deeply.

She will be profoundly missed by her husband, Walter, and her four children: Michelle (Darrel), Chantelle, Suzanne (Greg), and Steven (Loren). Her greatest joy was her family, especially her eight grandchildren: Elisabeth "Lisa" (Matt), Bret (Tiare), Jacqui (Toro), Tanner (Sierra), Hunter, Kingston, Carter, and Taylor, and her three treasured great-grandchildren: Avah, Jaxson, and Lincoln.

She is also lovingly remembered by her four "little" brothers: Jim, Bob (Cathy), Kim (Lavonda), and Brock (Patricia), along with extended family, former colleagues, and many friends whose lives were better for knowing her. Earla was predeceased by her parents, John and Ella Justinick.

In 1976, Earla answered a calling to serve others and enrolled in nursing

school, beginning a career defined by skill, dedication, and compassion. She spent most of her nursing career at High River Hospital, where she touched countless lives. While many remember her fondly from her time in maternity, where patients often felt especially cared for, emergency nursing was where Earla truly felt at home. She thrived in the fast pace and intensity of emergency care, remaining calm, capable, and deeply attentive in even the most critical moments.

Many in the community shared stories of how safe and reassured they felt in her presence, and how clear it was that she genuinely loved her work.

To her colleagues, Earla was a mentor and a steady presence. When nurses felt unsure or overwhelmed, they often found themselves thinking, “What would Earla do?” Even in the busiest and most stressful moments, she remained composed and continued to offer patience, grace, and kindness to every patient who came through the doors.

Earla was blessed with many close and treasured friendships. She shared countless happy hours with her friends in her cross-stitch group The Thrilling Threaders, and with her sewing group, where time was spent creating, visiting, laughing, and sharing life together. These friendships brought her great joy and were a cherished part of her life.

Earla’s life was also guided by a deep and sincere faith. She believed wholeheartedly in the love of God—not as a set of rules or regulations, but as a source of kindness and grace. She lived her faith quietly and authentically, reflecting that love in how she treated others each day. Through her generosity and care for those around her, Earla showed what she believed God’s love looked like in action.

Earla was a devoted wife, a wonderful mom, a proud grandmother and great-

grandmother, a beloved sister, a cherished friend, and an exceptional nurse. She was deeply loved and will be profoundly missed by all who knew her. She loved beauty in all its forms—especially a little sparkle—and brought that same brightness and joy into the lives of those around her. Her strength, warmth, and love live on in the many lives she touched, and in the hearts of those who loved her most.

A Celebration of Life will be held on Friday, February 27th at 1:00 p.m. at the High River Baptist Church. In keeping with Earla's love of the beautiful things in life, flowers are welcome. At Earla's request please wear bright and sparkle clothing if possible.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ *Earla Sapinsky was my Aunt, and was a wonderful person in every way. She was always welcoming when our family visited Alberta, was always so warm and engaged during our visits, and always showed a positive outlook on life. These things were true, even in the face of life's challenges and especially in the last few years as her health was diminishing. We all enjoyed her flare for fashion and her joie de vivre, and we will miss her. We wish the entire Walt Sapinky family a sense of peace during this time of loss.*

“ My deepest condolences to the Sapinsky family. I was blessed to have worked with Earla for many years at the High River Hospital. You knew you were going to have a great shift when Earla was on. She truly was a gem. When the Shoe Lady came to sell her shoes in the front lobby of the Hospital, the first thing we did was check out what fabulous sparkly shoes Earla bought. She beamed ear to ear as she modeled her shoes for us. Heaven gained some sparkle when our beauty Earla arrived. She was so loved and will be deeply missed.

“ I had the great pleasure and honor to work alongside Earla for many years in both maternity and ER. Earla was a mentor to me and many others. She was a genuine and compassionate person committed to the care of others. Earla had impeccable penmanship and I did, on occasion, rewrite my charting more neatly at her request. I did so agreeably. She did not like day shift as much as evening so we often switched shifts. Earla was a very special person whose glittering light will be greatly missed. My sincere condolences to her family.

Dear Walt, Michelle, Chantel, Suzanne, Steven and families. My deepest condolences in the loss of our beautiful Earla. She was a true lady who was adored by all lucky enough to know her. It was always a great shift when Earla was working. When doing her charting she always had a sparkly pen. I would always comment on how much I loved it. One day on my shift , there on the Emergency room desk was a sparkly pen with a sweet note from Earla. How thoughtful and special. We were both charting with our sparkly pens. “ I have so many fond memories of your mom from our many many
many summers spent at many many many swim meets. But I think
the one that sticks out the most is one time after a swim meet we
were all eating out at a restaurant and Steven would have likely
been about 3. Your mom was so horrified and aghast that all she
could get him to eat at that stage in life was french fries and
ketchup. I recall all the adults laughing and joking it off and your
mom seemed genuinely worried about his health and future.
