“*Doug, Steve and family. We are so sad to hear that Ed passed. We have such good memories of him as our neighbour while we were at the print shop. He always kept an eye out to make sure all was well and he made sure the sidewalk was clear of snow from alley to alley. We missed his neighbourly chats after we left Nanton and will always think of him fondly. Bruce and Shauney Peterson.*

“*We had so many laughs, and debates and discussions about pretty much every genre over the years. Ed loved the debate and discuss Side to the newspaper business - I guess once it's in your blood, it's a terminal condition. He had a sharp mind and was a kind soul. I'm going to miss him.*
