

## Mr. Edward Albert Preston

April 2, 1936 - December 5, 2024

Edward Albert Preston passed away peacefully in the early morning of December 5, 2024 at the High River Hospital. Ed was 88 years old.

Ed is predeceased by his wife Doreen and is survived by his special friend and partner Faye Cumbers, his sister Joyce and his children Penni (Darwin), Kipp (Betty) and Jody (Nadine). Ed also has multiple grandchildren, great grandchildren and a great-great grandchild.

Born in Dehinda, Saskatchewan on April 2, 1936, Ed spent the majority of his adult life in High River and Southern Alberta, first working in farming and ranching before becoming involved in the concrete and aggregate business. There's a lot of basements, driveways, sidewalks, patios, silos and quonset pads that are still around because of Ed's concrete!

Beyond his day job, most people knew Ed because of music, or "Pickin' and Grinnin'" as he described it. Ed and his band were staples throughout the 60s, 70s, and 80s, literally playing anywhere and everywhere throughout the area. Weddings, community dances, cabarets, bars, taverns and roadhouses...there are hundreds of brides whose first dance was to Ed's rendition of The Farmers Daughter.

Finding his sobriety with the help of AA in 1985 was life changing, and in his

later years, Ed played music with the Christian Cowboys. Faith and God were always an important part of Ed's life, and The Christian Cowboys allowed him to continue to play and sing (aka pick and grin) while delivering a meaningful message. They travelled throughout the community, bringing "Cowboy Church" to local rodeos, pancake breakfasts and other services. Ed especially enjoyed performing on the "Second Floor", bringing the joy of music to the residents there.

Ed's life was not always easy, but he did his best with what he had. He was a hard worker that loved his family, and he passed these traits on to his kids. Those who knew him loved him. He will be missed.

A Memorial Service will be held at the Munroe Barn located at the Sheppard Family Park (1201, 5th St SE, High River, AB) on Thursday, December 12, 2024 at 1:00PM.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ *I was truly blessed to have known Ed. I first met Ed at a meeting, in a church, on a cold winter day in January 2019. Ed was asked ‘to read’ How It Works from the AA Big Book. He apologized for his failing eye site, put his hands on the Big Book and in his magnificent voice, recited How It Works from memory, no mistakes, and when finished, with his beautiful broad smile said “that’s How it Works”. He touched me deeply and his willingness to share his story no doubt saved the lives of many, mine included. RIP Ed, it was my privilege and honour to know you.*

“ *What a true blessing it was to know Ed. The first time we met was in Birchwood Park, many years ago, when he and Fay were out for their daily walk. My Rottweilers approached him, stubby little tails wagging frantically wanting some attention. NO fear , he laughed and talked to them, gave them big hugs. They both knew, as did I, what an incredible, kind, honest, respectful, loving person Ed was. I have had countless conversations about anything/everything with Ed and each time I left respecting him more. My heart is broken hearing this news. Rest well, my friend. No more pain/discomfort. Your life mattered greatly and Cary and I will never forget you.*

“ *Ed was a very special person, he taught me everything I know about concrete. Started to work with Ed in 1995, and just weeks after the '95 flood on the Oldman River hit us hard in Fort Macleod. He pulled up his boot-straps and baled right in to help us wherever he could. Then when the fire came through a couple years later that got stopped just before Granum, he bailed in and helped again. All this on top of managing the concrete plant in Claresholm. Condolences to the family, take solice in the fact that Ed has met Jesus, the single most important thing that has ever happened to him! God rest your soul Ed, I know you are in good hands.*

Ed had a great memory and always remembered me, when we would run into each other when him and Faye were out and about town. He also played at Roger and my wedding in Blackie in July of 1981, the song was Could I have this Dance, which always made Roger happy, when he was kicking up his heels on the dance floor.
