

Mr. Ejner Hansen

May 1, 1924 - May 29, 2013

It is with great sadness that we announce the passing of Ejner Hansen. Due to health issues Ejner has been residing on 2nd Floor at the High River Hospital for the past few years, where he passed away on May 29, 2013.

Ejner was born on May 1, 1924 in Boltinge, Fyn, Denmark to bricklayer Thomas Marinus Hansen and Kristine Jensen Hansen. Ejner was part of a large family of nine siblings. He grew up in his home town of Boltinge where one of his passions was soccer and the other fishing. Living close to the ocean, he proudly stated that he could catch enough fish to feed the whole family. Ejner finished school at grade seven and worked on several farms until the time came when he had to serve his one year in the Danish army. After his time in the army he decided to take the big step and cross the ocean to Canada. At this time he also worked on several farms. At one time Ejner lived in Vancouver, where he became a Canadian citizen on April 21, 1958. In the summer of 1961, Ejner went on the trip of his lifetime. He purchased a second hand 250cc Norton motorbike and drove 'clear' across Canada, to Halifax, where he embarked on a ship to England, drove across England, then caught the ferry to Esbjerg, Denmark. From there he drove to his hometown and surprised his family. That fall, he started his apprenticeship as an engineer – fitter, and after successfully achieving his journeyman ticket the 1st of February 1964, he returned to Canada, where he lived a number of years in Calgary and worked as a BTJ steamfitter, joining the local 496 United

Association of Plumbing and Pipe Fitting. On February 3, 2010 he proudly received his 45th year membership certificate. Later he purchased his 'pride and joy', a small house in the west end of High River with a large garden where he enjoyed growing his specialty potatoes and various other fruits and vegetables. Some of Ejner's passions were playing a game of crib or pool, and he always enjoyed a good joke. Most of all he liked a good laugh. If you asked Ejner how he was doing the answer was always "so far, so good"! One of Ejner's favorite pastimes was taking a drive in the country where occasionally stopped in Mossleigh for a beer. But his favorite drive was through the mountains where he would often stop and enjoy mother nature. On one occasion when asked, "Ejner would you like to come along on a trip to Denmark?", he replied "Yes, but only if I can smoke on the plane". Ejner, needless to say, stayed in Canada. Ejner felt very pleased and privileged to be able to show some of his family around when they were visiting from Denmark. At 73 years old, Ejner decided he needed a computer. He said there was lots he could do on there like read the Canadian and Danish newspapers. He said "It's cheaper that way" – you note Ejner's slang. In Ejner's later years he enjoyed a Friday afternoon happy hour at Han's shop, where there were no restrictions and he could enjoy a beer and a cigar 'at the same time'. Ejner we will all miss your great sense of humor and seeing that little twinkle in your eye. So as Ejner would say "Here's to you, and then they drank it themselves".

Ejner was predeceased by his parents, 5 brothers and 1 sister. He is survived by 2 sisters, and numerous nieces and nephews as well as great nieces and nephews, all whom live in Denmark.

On behalf of friends and family, a special thank you goes to Melanie Dale, one of Ejner's best friends, for being by his side during his last moments. Also, special thanks to the staff on the 2nd floor at the High River Hospital, for taking such good care of him the last few years.

At Ejner's request no service will be held. To send condolences and view Ejner's Tribute Page please visit www.lylereeves.com . Arrangements entrusted to Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ *Ejner was an intricate, important part of the Elder family. He worked for Ken and Mina when he first arrived in Alberta 60 years ago. Dad thought Ejner would enjoy our Danish community of Standard but Ejner would only come to work for Dad if he was NOT Danish so that he could learn the language and the Canadian ways. He was so youthful and athletic that us kids always thought of him as a brother rather than someone who was older than our Dad. He learned to speak English with us as we grew up, lived with us, loved us. Our stories and memories will give us comfort but he will be missed.*

“ *En sidste hilsen til erindring om onkel Ejner, som kom meget i mit barndomshjem, i den tid da han var hjemme i Danmark for at blive efteruddannet på Lindøværftet. Altid et frisk pust, klar til et spil kort og så nød han min mors kokkerier.*

Jeg har haft fornøjelsen at besøge Ejner i 1993 og i 2000 sammen med min faster Ester. Ejner tog os på ture i sin bil, så vi fik set store dele af Alberta.

Et typisk træk ved Ejner var overraskelsen, som f.eks. da min far (Gustav) blev 75 år - Ejner dukkede uventet op til festen til stor fornøjelse for alle.

Vi sender stor tak til Brenda og Hans Abild, som har været enestående overfor Ejner.

ÆRET VÆRE EJNERS MINDE.

“ I knew Ejner for many years, we were both members of the High River men's club. We spent a lot of time visiting at his house, he was a very good gardener and a meticulous house keeper, he truly enjoyed his life, may he rest in peace. Carl and Shirley Mitton

“ Sincere condolences on Ejner's loss. He was a man of few words when it came to dealing with the Chaplain, but after several months, he would respond to my greeting and give me a brief, witty comment that brought a smile. Will miss his coming and going on Unit 200. ~ Chaplain Virginia

“ In 1995 we had the pleasure of Ejner coming into Dudley's Pub and in to our family. Everyone who met Ejner loved him, his quick wit, humour, his stories from Denmark and Canada...oh he loved to talk about his trip on his bike !

We have lost a member of our family who we loved dearly, will miss the (few) times i kicked his ass at crib, it was more than what he would say.. haha

Will miss you always
