

Mrs. Elsie Stuber

July 24, 1932 - January 6, 2018

Elsie Stuber passed away peacefully with family by her side on January 6, 2018 at the age of 85. Elsie was born on July 24, 1932 in Little Plume Alberta to Jacob and Christina Nittle, and was the second of four daughters. At 16 she married Reinhold Stuber and together they farmed and had two daughters Lana Brown (Randy) and Vickie Mosig (Phil).

In 1967 Elsie met the love of her life, Marcel Lambert, and they spent the next 50 years together. They ran a water trucking company out of Medicine Hat and moved to Okotoks and then High River to be closer to family in the early 1990's. Elsie spent the rest of her years doting on her grandchildren Danny Brown (Sarah) and Kalie Mosig, cooking amazing family meals, and sharing feisty life advice with everyone she knew.

Elise was predeceased by her sisters Annie, Doreen and Betty. She will be greatly missed by those who were lucky enough to know her.

In lieu of flowers, donations can be made to the Canadian Cancer Society.

A Celebration of Elsie's Life will be held on Wednesday, January 10th at the High River United Church. To send condolences and view Elsie's Tribute Page please visit www.lylereeves.com . Caring for the family is Lyle Reeves Funerals of High River (403.652.4242).

“ Lana, Vickie and Family, we are so sorry to hear about Elsie's passing, please accept our deepest condolences. We are so sorry we missed the service because we did not realize she passed away. Betty is so shocked and saddened to hear because she has lots of good memories and stories they shared together. She will be remembered for her great wit and sense of humour. One of the best neighbors she had. Hope all her memories will ease the pain.

“ Oh Lana and Vickie--we are so sorry to hear of your Mom's passing. Our thoughts and prayers are with you all--Marcel, Randy, Danny, Phil and Kalie. Her passing will leave a big hole in your lives. Of course you have the memory's that go back a long ways to hold her dear to your hearts. I (Don) remember the hospitality she and her sister Doreen shared as Randy and I pursued the illusive antelope we hunted down their way.
