“ Thinking of Maude's family with sympathy.
Maude and I spent many good times together when they lived in Erskine.
How the years slip away, Did not realize she had passed away, but today was reading the Stettler paper. Today it is a year since Andy passed away so I know separation hurts.

“ Maude was a wonderful lady and a pleasure to spend time with. Her love of sewing and continuing on with that was amazing. I remember her telling me one time a few years ago when her sight was still fine that sometimes she went to sleep hoping she didn't die that night because she still had a project to finish! My condolences to Maude's family.
