

Mr. Everett "Leroy" Bailey

July 1, 1929 - May 14, 2021

Everett Leroy Bailey passed away peacefully at the age of 91. He is reunited with his loving wife Yvonne, who predeceased him in 2018.

Leroy will be deeply missed by his children: Allan (Shirley), Gary (Anita), Bonnie (John) Van Nistelrooy and Michelle (Doug) Edwards. Also left to cherish his memory are 10 grandchildren: Jeff (Lynn), Jodie (Maira), Sarah (Stephanie), Ian (Melissa), Eric, Joel (Bitz), Ben (June), Matthew (Katherine), Jennifer (Doug), Megan (Dan) and Blessed with 6 great grandchildren: Beau, Shea, Taryn, Saffi, Everett and Leo.

He will hold a special place in the hearts of many nieces, nephews and all who knew him.

We would like to acknowledge and thank Dr. Wilters, Dr. Fay and the staff and residents of Season's Retirement Community for the wonderful care, compassion and friendship they gave to Leroy.

Leroy and Yvonne farmed the homestead in Sundial where they cultivated many lifelong friendships. They retired in 1986 and their love for the foothills and mountains drew them to Nanton, where they resided for 31 years.

Some say he was born with wheels. And he was able to enjoy his weekly

drives up until weeks before his passing. We've all heard him refer to the year of a significant event, by what car he was driving at the time. Leroy's many various forms of "wheels" took him on countless adventures, fishing, camping, or climbing hills in the desert with his Baja bug enjoying all the wonders that nature has to offer across North America.

He was a man of few words; those spoken counted. His quiet strength was appreciated by all and he earned the respect of anyone who got to know him.

His love and patience and great advice will forever be appreciated and passed on to the next generations.

Due to the gathering restrictions a private family graveside service will be held.

“ I had the great fortune of meeting Leroy when he and Yvonne moved to Nanton . We had a lot of things in common and it was the start of a great friendship . I will fondly remember the great visits and fishing trips we had, also our visit with them in Arizona and a guided tour into Mexico. We are sorry for your loss and would like to extend our condolences to the family at this time .

“ Uncle Leroy was so dear and so much fun. I will never forget the visit Aunt Von and Uncle Leroy paid us years ago in Black Creek. I was driving home from work and saw this large motor home ahead of me on the road with Alberta plates. I remember wondering if it was Leroy and Von. Sure enough, it was. We had such a lovely visit and we felt honoured that they visited us. Uncle Leroy was so kind and caring when my mother, his sister, was in her final weeks. I feel very fortunate to be related to him and feel sad he is gone. Linda Deneer (Hubka)

“ *I met Leroy in Nanton shortly after we moved here. He was having problems with his satellite dish on his rv so I went down to help him out. When I got back to my house my mother who was visiting asked me what I had been doing. When I told her that I have been fixing the sat dish for Leroy Bailey her jaw dropped. My mother had known Leroy and Vonnie for years so back down to their house we went. He was a good friend and the family has my deepest sympathy*

Your mom and dad were dear friends of mine for many years. I spent many wonderful hours with them both and will cherish those times forever. My love and sympathy, for your loss, goes out to all the family. I used to run into Gary every once in awhile and he kept me posted on how your dad was doing, but since covid, i haven't seen him, but I often wondered how my old friend, Leroy, was doing. All my love to all. Your friend, Joe Lawlor.
