

Mr. Fredrick Wayne Taylor

December 10, 1952 - December 25, 2021

Fred Taylor of High River passed away on December 25, 2021, at the age of 69 years. Fred is survived by his loving wife of 42 years, Connie Taylor; son Zac Taylor (Courtney Taylor); daughter Darby Allen (Dan Allen); grandchildren Lexi and Austin Allen; sister-in-law Donnie Taylor Aasen; nephew Carey Taylor; nieces Shelley Taylor and Karlene Benallick (Mike Benallick) and their children Carter, Jenna, Cole Benallick. Fred was predeceased by his brother Royden Taylor and by his parents Walter and Kathleen Taylor.

Fred was born in Gainsborough, Saskatchewan on December, 10, 1952. Fred spent his early years in the farming community of Pierson, Manitoba. He was raised in a strong Christian home and was taught from an early age to be a prayer warrior by his mother, Kathleen Taylor. He continued to grow to be a well-respected man of God who often quoted Philippians 4:13 "I can do all things through Christ who strengthens me" to anyone who was in need of love and encouragement.

Fred spent his early years farming with his father, Walter Taylor. Fred attended the local 4-H beef club where he became rooted in the community and the principles of 4-H. He accredited his success in the beef industry to the fundamental skills he gained during this time.

Fred played junior hockey in Dauphin, Manitoba, and later scouted for the

Moose Jaw Warriors. His love of hockey continued throughout his life and led to many friendships within the hockey community.

In 1977 Fred took a position with Agriculture Canada as a meat inspector in Winnipeg Manitoba. Here he met the love of his life, Connie, on the harvest floor at Burns Meats, where she worked as a veterinarian for Agriculture Canada. Fred and Connie were married and had their two children, Zac and Darby, while living and working on the farm in Pierson. As a family they moved across the Prairie Provinces living first in Moose jaw, SK and then residing in High River, AB.

Fred spent the rest of his career as a beef grader for the Canadian Beef Grading Agency. Fred founded Taylor Made Research, where he processed research cattle for several cattle associations and university researchers. Fred was well known and respected in the beef industry. He spoke often to consumers, producers, packers and retailers educating them about the importance of beef grading and promotion. Fred also wore many hats in the agriculture community. He judged 4-H shows across Canada, was a committee chair and judge with the Calgary Stampede, had close ties to the Angus Association, raised pure bred Angus cattle and became well known for his cooking, especially his smoked ribeye beef.

Fred would always say "You can never know too many people," and this statement was evident in how he lived out all aspects of life. Fred was larger than life. He was so proud of his family, the lives they lived, and most importantly that they had a personal relationship with the Lord. Fred made time for everyone. We will miss him dearly, but Heaven gained an incredible man, and we know we will see him again.

If desired, memorial donations may be made to Heaven Can Wait Animal Rescue - www.heavencanwait.ca

A private family service will be held.

“ I was so very sad to learn of Fred's passing. I cannot help but smile when I think back to the first time I met Fred while working at Pioneer Credit Union, he was so much fun. From that moment and onward, Fred was great at keeping in touch be it a phone call or running into him around Sylvan Lake. Des and I enjoyed visiting with you both,, Connie and Fred, although not very often, always an enjoyable time. Sincere condolences to all of you.

“ Connie, Zac. Darby and families our deepest sympathy to all of you. We were so shocked and saddened by the sudden passing of Fred. We always had such good visits with both of you. especially the great evening we had together two months ago Fred always had a keen eye in the cattle industry in Western Canada, also a great ambassador for the hockey world and families. We first met Fred and Connie in the early 1980s Coming from the same area in Southwestern Manitoba some great stories were told by both Fred & Murray, and Fred with his infectious laugh which we will always remember. It seems like you cant take the farm out of the boy. RIP we will miss you Fred

“ I met "Freddie" many years ago while deer hunting with him at Pierson. Our friendship continued over the years, even if we didn't see each other every year.
I will always remember his wonderful smile and his laugh!! Fred was always in a good mood and ready to do anything that sounded like "fun". He was always generous with his time and his boundless energy and enthusiasm - and that smile!!
it is always sad to lose someone like Fred, especially at such a young age. we will all miss him.
My condolences go out to his family. The pain of this loss will gradually diminish, but you will be left with the wonderful memories of a terrific husband and a wonderful father!

“ My sincere and heartfelt condolences to Connie, Zac, and Darby...Fred's passing will leave a void that will be hard to fill. His passion for everything he took on had an impact with everyone he came in contact with. He knew, and had a relationship with more People than I can shake a stick at.

I was fortunate to know the Man (30+ years) and count him as one of Life's true friends....Both Carol and I will miss him.

“ I am so very sorry to hear the news of Fred's passing. My sincere condolences to you all. There is no easy way through grief and my heart is aching with/for you.

Like many many of us, I met Fred first within the Angus industry and enjoyed many stories along with his tremendous beef dinners at many sales and events. He was truly larger than life, as you wrote in his obituary. He was someone who made an immediate impact when you met him, and though I have not been in the same circles for a few years now, I was very sad to hear he had passed - the impact is felt far and wide. We share many common friends, and he certainly will be dearly missed by all of us who were blessed to know him.

I am so sorry to hear that we lost Fred. I first met Fred shortly after moving to High River. As he was with everyone, he became an instant friend even though he didn't have to be. Years later when i was looking for a change in my life, Fred gave me an opportunity. That opportunity has shaped my life ever since. Even though I moved on from from Pierson we remained great friends and I always felt his support. I will forever miss our phonecalls. He was a great friend and mentor.

“ *Connie, Zac and Darby,
Our entire family shares in your loss. As you know, Fred was a very dear friend since the early 1980's and he treated our kids like they were his own.
I first met Fred as a land and mineral owner in the Pierson area. Before you knew it, he had Tundra Oil buying new sweaters for the Pierson Bruins hockey team. He was a super salesman and attributed his marketing skills to Big Lou, a sales manager at a local Winnipeg car dealership.
You were always great hosts, whether for hunting, horseback riding or advising to our hobby farm in more recent times.
Fred had a great touch around the bbq and smoker ! He produced some real delicacies over the years, but none more appreciated by him than his mother's fresh-baked bread smothered with Cheez Whiz as a late night snack.
Let's remember the good times because there was much to celebrate !!

"Who you going to call?"..... Fred Taylor. So many times Fred was the go to when you needed answers. He always had time for anyone and everyone. The same with Connie.

*Gone way too soon. I'm shocked and sadden.
Sincere condolences to the Taylor Family.*
