“ Dear Rick, Cameron, Brenda, Addison, Don, Julie, Chris and Glenn I am so sorry to hear of your loss. Gail was an awesome lady and she will be missed very much. I wish we could have hooked up last summer when Peter and myself were out in Calgary but at least we were able to connect through emails.  
If there could be a blessing to all this is the fact that she is now no longer suffering or in pain. There is nothing that hurts you more than to see a loved one suffering. I wish there was more I could do or say to help you through this time but I guess the best thing is to just let you know that my thoughts will be with you on Saturday as you say your goodbyes to Gail.

Take care  
Darlene (Lyons) Warwick

P.S. In memory of Gail I hugged my two granddaughters today just as you had asked us to do. D.

“ *We were all very saddened and quite shocked by Gail's passing. I have some great memories of our visits to Calgary, but one of our best is the RV Trek with Rick, Gail, Cameron, Mom and Dad from Alberta into Montana, Idaho, Washington and BC. Gail was always there with a good meal, a quick laugh, and a great wit. We will all miss her!*
