“ I will always remember Garfield and Carol, as they brought their kids to church in their pj's. (the kids LOL!). They wouldn't miss a service, and so having the children ready for bed, ensured that they were always in church for every service. I will never forget Garfield's faithful servant heart and love for children as he ministered to them, teaching Sunday school each week.

Our hearts go out to you all and we pray God's comfort as you remember your husband, father and grandfather.

Deepest sympathies,

“ Carol and family, we are so sorry for your loss. Garfield and Carol were part of our Life Group in High River. They became our friends. Garfield would often share precious insights from God's Word as we studied various books of the Bible. He would also tell true-life stories of God's amazing healings in people's lives; an inspiration to all in the group. Carol, we pray you and your family will experience comfort, strength and peace from Jesus as you walk this new journey.

“ Carol and family, so sorry to hear of Garfield's passing. I used to like chatting with him as he did minor fixes around Prairie Sound.

“ Dear Carol, Sheldon and Lori, I was saddened to read of Garfield' s passing in The Progress today. I always think about your family when I pass your house on Yale Rd. You will find comfort through your faith and the many wonderful memories you have shared. They first while will be a big adjustment to a new normal. Nearly four years after Jim' s sudden and unexpected passing I still feel lost and very lonely. You are in my thoughts, hugs to you all. And a big hello to Sheldon and Lori. Take care. Sue Todd💕
