“ Just realized that this is the "Garry with two rrs" as he introduced himself to me at the Rec Plex walking track. That is the only place I knew him from, but always enjoyed his cheerful smile and welcome. John and I send our condolences to his family.

“ Garry was a rock solid man. Whatever he said he would do you knew he was going to do it. He was reliable and thoughtful. You knew he cared and was genuine. My memories of him are mostly how much he loved and cherished his life partner Susan. I will remember him as a strong, caring, man.
