“ Garry, you have been a great friend in the 7 years I got to know you. Lorea had a great man beside her. May your journey continue in the best place ever. You will be missed by Lorea . When Lorea misses you that means I will miss you too. Both of you were one couple and that will be the way I will remember you, Gary. I am so glad I took you both out for lunch in March 2017. I had a great visit with both of you!! I sure remember bringing an A&W bucket of chicken and that's all we would eat. It was finger licking good. God Graciously be with you, Gary!! I pray for comfort to Lorea and your family Robbie and Maureen and those beautiful kids that surrounded your last days along with those furry friends that you adored. My Heart goes out to all of you!

With Love,  
Gerald DeBruyn

“ Gary, I am saddened that your life ended so soon, since you had hoped for 20+ more years to spend with your step grandchildren. My condolences to Lorea and family. I know you are all grieving the loss of Gary.  
Thank you for showing him some of the world and for taking time to attend my family's 4-H and dance events, during your short time together.  
Sincerely,  
Ledean.

“ We wish to send our heartfelt condolences to Gary’s siblings, nieces, nephews, great nieces and nephews (The Turners and Rauhalas). They were all a very important part of Gary’s life for many years. We know that they are all thinking of Gary and mourning the loss of their brother, uncle and great uncle. Cousin Gary, we also have you in our thoughts and prayers. We fondly remember how much you enjoyed spending time working in the fields of your family’s farm at Barons and how much you enjoyed your many years of life there. You are now reunited with your parents, Louise and Harold Rauhala. May you know that you are loved by many and will be truly missed.
