“ Gary was quite the Entrepreneur. He certainly had his share of successes and failures. Always sad to see a life stopped so early. My condolences to the family.

“ So sorry to hear of Gary's passing today. My thoughts and prayers are with the family. He was always kind to me when I was at the grooming shop, helping out with "heavy" dogs and offering a joke or smile.

“ *When I first came back to Okotoks with my little dog Joey, I ended up in an apartment behind Gary's shop. In the 2 years I was there, Gary always offered a smile when the dog & I came in to say hello, always offered positive & accepting casual friendship & became a significant landmark for me during my time there. His loss at such a young age must be so difficult for his family. Especially his father & siblings. I have said a pray for his kind & generous soul today & regret not having had at least one more contact with him before this.*
