

Mr. George Karch

June 4, 1935 - October 25, 2019

George Karch of Calgary, AB passed away on October 25, 2019 at the Peter Lougheed Hospital at the age of 84. George is survived by his wife Noreen; daughters Karla Karch (Brian Armitstead), and Kendra Karch-Sinclair; favorite son, Maury Karch (Leona Esau); grandchildren Dallas, and Payton (Rebekah). A Celebration of Life will take place at a later date. George was predeceased by his parents, Ben and Emelie Karch, sister Helen Kozak and son-in-law Bob Sinclair.

George was born in Calgary, Alberta to Ben and Emelie Karch who emigrated from Czechoslovakia in 1929. Geo lived and attended primary school in the Bridgeland area of Calgary. As a child, he was very active in a variety of sports, including hockey, basketball and skiing. After graduating from Western Canada High School, Geo attended SAIT where he received a surveying and drafting diploma.

In 1955, he started his career with Shell. For the next 31 years, work allowed Geo to see all parts of Canada, mostly working with seismic, as well as off shore surveying.

During Geo's work with Shell he was stationed in southern Saskatchewan and in 1956 he caught the eye of a young nurse at a house party in Weyburn. This young nurse, along with her many sisters, would cruise the streets of Weyburn

in their dad's Chevy checking out the boys. Obviously, Geo was smitten with this young lady, Noreen, as he proceeded to follow her to California for a visit while she was working there as a nurse. After he proposed to Noreen they returned to Weyburn where they were married. Soon after, work allowed them to relocate to Calgary.

In 1961, Geo and Nor welcomed their first child, Maury (Moe). Not long after, they transferred to Edmonton where their second child, Kendra, entered the world. Another move for Geo had the family living in Vancouver where their third child, Karla, came along.

Upon returning to Edmonton in 1969, Geo and Nor bought lake front property at Pigeon Lake where they actively participated in many activities throughout their fifty years of enjoyment. Geo's favorite sports were golfing and water skiing. Throughout the seventies, Geo competed at local, provincial, and international water skiing competitions. Many cabin owners would remember seeing his ski jump and slalom course along with the Up-Two ski boat. Golfing became a bigger focus throughout the eighties and he continued with this love through to 2015.

Throughout Geo's life he was a hobbyist. He loved to fix up the Datsun's for use by himself or his children. We still don't know the complete story of how he fixed one of the troublesome cars that supposedly was an "easy fix". Geo took that one to the grave. He enjoyed putzing around any garage, pick-a-part, Kendra's acreage, always looking to fix or repair something.

George will be remembered for his sense of humour, his "Geoism" such as "it's just a question", "don't get me wrong", "why is everyone so serious", "skill and high IQ", and "I didn't feel a thing". Family meant everything to Geo. Earlier this summer Noreen and George celebrated their 60th Anniversary and in early September he had the pleasure of seeing his eldest grandson get

married.

Geo will be forever missed and much loved!

“ *We are saddened by the sudden passing of George and offer our condolences to Noreen and Family. One event we will always remember was the time when we were newly married (1963) and went tenting with you at the lake. Jean was not impressed about sleeping the hard ground..*

Thank you Stan & Jean for your kind thoughts. I so remember that week end. Maury was about 6 months old in his bouncy chair- slept in the shade while most of the adults went water skiing. That was a fun time.
George wanted us all to know that his 84 years were the very best ones of life especially the 60 years of marriage celebrated last June with Noreen.

“ Our family has so many fond memories of George where our friendship began as Karch’s neighbours at Pigeon Lake 30+ years ago. George always had a little twinkle in his eyes and a grin on his face and you just knew he was planning another shenanigan. Our kids will always remember Santa, a.k.a. George’s visits on Christmas morning. He paid his last visit to our house on December 25th, 2017 - a very special visit indeed.

Noreen, Maury, Kendra and Karla our hearts go out to you during this very difficult time and hopefully the wonderful memories you have of George will help ease your pain.

Judy and Family Thank you so much for your very kind words. And yes, you sure did know George. It is exactly what George would have said " why is everyone so serious?" Then you will never know that the Santa run was the highlight of his almost every year- 2017 had son Maury at the driver wheel! Over the years each of the family took turns in that job. Also Thanks to you and Janelle for the wise words and care to follow as we get into settling matters....Never drank so much water Janelle xoxo Hugs to all the Murphys luv you lots

Noreen, Maury and the Karch Family. We were very sorry to hear of your loss of George. Our family has many fun memories of George (and your family) from the early days when Alex and him worked together at Shell. I always looked forward to seeing him when he and Dad car-pooled to work, because he always joked-around and was fun to be around. I believe I have heard that George and Alex were mutual best-men at their respective weddings? I last chatted with George at Alex's funeral in 2017, and I know that having him there brought our family great comfort.. On behalf my mother (Jean) and all of the Hittel family, please accept our heartfelt and very sincere condolences on your loss. Kindest Regards, Jim Hittel.
