

Ms. Georgina Louise Brown

January 21, 1962 - August 28, 2021

Georgina Louise Brown passed away at her home in Calgary, Alberta on August 28th, 2021 at the age of 59, surrounded by friends and family. She was predeceased by parents Norman and Gina. Survived by siblings Michael (Michelle), Douglas (Thekkie), Diana, David Moyse and many nieces, nephews and grand nephews, as well as a vast network of friends.

Georgie was born in Calgary on January 21st, 1962. She graduated from McGill University and had a fulfilling career as an occupational therapist in Whitehorse and Calgary, where she was respected and loved by both clients and colleagues.

Georgina lived her life to the fullest with extensive travels, gourmet cooking and magnificent gardens. She did everything with flair. Passionate about the outdoors, she was always off on grand adventures hiking, skiing, paddling and biking, making friends along the way from every corner of the globe. She enjoyed spending time at her cabin in Kananaskis. An animal lover, she was adored by her dogs Shelagh, Dodi and Elly. The Montgomery dog walking community will miss her.

She was always very involved in her communities from art festivals in Whitehorse to the Sistership Dragon Boat Racers and the new Montgomery Bike Park. Georgie was the life of the party. Everyone who knew her delighted

in her sense of humour— when she showed up, the fun began.

Georgina was diagnosed with breast cancer in 2016, and in the following years not only survived, but thrived. “My blood type is B-positive, as am I”. Her family thanks Dr Marc Webster, Dr Carla Montgomery and the Pain Management team at the Tom Baker Cancer Centre. We especially thank her friends Sue Nielsen, Christina Masse and Shauna Kingswell, who went above and beyond, as well as her very caring neighbours and friends.

Due to the realities of Covid-19, a celebration of her life will be postponed to a later date. Friends are encouraged to share their stories and photos of her online, through both the Lyle Reeves Funerals webpage and her tribute page on Facebook. Please plant a tree in memory or make a donation to the charity of your choice.

“ I was lucky to have met Georgina as a fellow OT at work. I was instantly drawn to her sense of humour and quick wit. She was a dear colleague and treasured friend. Her tell it like it is approach and compassion for clients, always a breath of fresh air. Early on in our friendship she invited my kids and I to visit her garden, we were blown away by her green thumb, and she playfully taught my kids about some gardening basics. I have fond memories from our routine sushi lunches and shopping in Kensington. I feel blessed to have known Georgina and to have called her my friend. My sincerest condolences to Georgina's family. ~ Daniela

“ Condolences to Georgina's friends and family. I knew Georgina from figure skating in our teens all those years ago, got my first job with her mum in Gina's needlecraft studio and ran into her later at U-Vic. She was the same bubbly person I had come to know. I'm so sorry for your loss. She will be fondly remembered.

“ Georgina was a dear friend and colleague, I will miss her so much. She was one of those people who was truly present in the moment and truly interested in you as a person. I remember years ago when I told her about my daughter's new found interest in sewing, she said "come to Gigi's shop for fabric". So we showed up at her garage and pulled the big bins filled with fabrics down and made our selection. This was followed by several 'sewing bees' at my dining table with her help and expertise. Georgina was an excellent sewer. I will miss our coffee dates on her deck and our chats about family and plants, our common ground. Her last gift to me was a Thyme plant, she gave it to me the day she told me that there was no treatment left for her and we were unsure about the time she had left. The plant is thriving in my garden and will always remind me of her. My condolences to Georgina's dear family, I'm so sorry for your loss and will remember with you a beautiful woman.

“ *Georgina was a very bright light in my world and a dear friend and colleague for many years in Home Care. Georgina and I were in the same work group and she was a brilliant OT and a whirlwind at work, with a quick sense of humour like no other. I was diagnosed with Breast cancer one year after Georgina and during my journey, she never left my side. She kept me grounded , answered my panic texts, taught me how to care for the damn wig, and always, always, brought me back to the positive side. Georgina, you were a wonderful friend and I could not have made it through that year without you. To the Brown family, my deepest condolences on your loss. I will be forever grateful for Georgina and her impact in my life. Colleen Judiesch*

“ I made a great crew of friends on the dance floor at the Dawson City Music Festival 1990 and Georgina was one of them. That summer we danced a lot more and camp cooked together on Teslin Lake. I have great memories of paddling across the lake between peeling potatoes and making bread to go skinny dipping! She was my maid of honour in 1991 and a fun auntie to my children when they were small. Sending my sincerest condolences to her family.

“ Bright, funny, and always the one with the brightest smile, Georgina always lit up the space she was in. We met in the Yukon, and though I hadn't seen her in over 20 years, I remember her well from our time spent up North. My deepest condolences to her family and friends, she will be fondly remembered. “ I have very fond memories of Georgina from our days going skiing at Lake Louise. She would pick me up in her old Volvo and introduced me to Stevie Wonder. I am sorry we lived so very far away from each other and didn't maintain the friendship. She was a treasure.

“ Georgina was a work colleague, fellow paddler in Sistership Dragonboat Race Team, and a dear friend. She had the desk next to me in Home Care, and supported me through my own recovery from breast cancer treatment before her own diagnosis. We shared some fun times paddling, worked together with mutual patients, and had long, chatty walks together. She was funny, kind and warm, with a famously wacky sense of humour, and I miss her already! My thoughts and sympathy to all her dear family and friends. A light has gone out in this world.

“ Georgina was a wonderful neighbour and friend of our family for many years in the Kananaskis. The first thing we would say on turning into the driveway was always "is Georgina up"? Over many years we shared wine, meals and visits, always with cookies for Eli and she watched our family of grandchildren grow up from babies to adults. I can't imagine her not being there next door, with her big smile and such a positive outlook towards life. My sympathies go towards the family on the loss of such a wonderful young woman.
