

Mr. Gordon Parker

February 13, 1936 - June 17, 2014

It is with very sad and heavy hearts that we announce the passing of our beloved husband, father, grandfather and great-grandfather, Mr. Gordon Parker of High River, Alberta, at his home on June 17, 2014 at the age of 78 years. Gordon is survived by his loving wife Doreen of 57 years, his son Gordon (Donna) and his daughter Cindy Evans; 5 grandchildren Lisa (Brian), Dan (Rhodora), Christopher, Heather (Craig) and Ryan; 7 great-grandchildren Abigail, Elyana, Madyson, Hayley, JayJay, Logan and Jordana.

Perpetually "39 years old", Gordon was always ready with a smile and a helping hand whenever he was needed. His passion was creating beautiful pieces of his intarsia for his family and some close friends. We were all so honoured to receive one of his newly finished pieces and couldn't wait to see what the next piece would be.

His greatest achievement was his love for his family....he was a Man that you could depend on in good times and hard times, always ready with a hug and a smile. He is now our Angel watching over us in death as he has watched over us in life.

"Those we love don't go away
They walk beside us everyday
Unseen, unheard, but always near

Still loved, still missed and very dear".

In lieu of flowers, a donation to The Alzheimer's Society or The Lung Association would be greatly appreciated by our family.

A Celebration of Gordon's Life was held on Sunday, July 6, 2014 from 1:00 to 4:00 p.m. at the Polo Park Clubhouse (203 Freeman Way NW, High River, Alberta T1V 1V5). To send condolences and view Gordon's Tribute Page please visit www.lylereeves.com . Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ My best memory of GG is how he taught be to "Build Muscle" by blowing into my thumb nail. He used too show me that every time that I would visit High River and it would make me laugh. When I was little growing up I actually believed him, I used to blow up my muscles when my mom wasn't looking and now I'm pretty ripped ;) . Miss you GG.

Love, JayJay

“ I have many memories of my grandfather and don't know where to begin. Always a happy man who never aged above 39. It was so many of the little memories that made up our time together. Whether it was always making sure there was a giant jug of Chocolate milk in the house when I was a kid or being the best tour guide at the Rockies. He was always happy and made those around him cheerful. The distance between us meant we never had a lot of time together, but that just made those moments together more special. Rest in peace grandpa. Love you always

“ The memory I will always hold close to my heart is the smile my grandfather always had on his face. His finger tapping on any surface to music and the bottom of his stomach laugh which always made anyone around him smile and share in the laughter themselves! The eternal 39 year old, the nice man because I was the ice man and the amazing role model of a family man. Grandpa taught me so many things on how to be the man I am today whether he knew it or not... I miss you deeply and heaven is a better place now that you are there. I'll see you again one day! Love you Grandpa.

“ I have so many favourite memories of my Grandpa I do not even know where to start. I guess all I can say is Christmas, Grandpa's Angel (one of his intarsia pieces in my house which is my favourite), Marigolds, my childhood doll house, change jingling in his pocket or hand, and being called his blue eyed blonde. Amongst all memories, these are the things I think of the most. I miss him so much. My thoughts are with you Nana. Xo

“ *Aunty Doreen, I was so sad to hear of Uncle Gordie's passing. My deepest sympathy to you and all the family.*

We will always remember our last visit with the two of you with my mom in Belleville, it was so nice to see everyone and spend some time with both of you, I know my mom cherished that time with Gord as well. I only wish that we lived closer so that we could spend more time together. Love Always. Robert and Karen Martin and all family in Russell.

“ *Aunty Doreen and Family,
I am sending you all my prayers, hugs and kiss from Montreal, My fondest memory was when we had our Family reunion in Belleville, with most of the Parkers, It was so Amazing to see Uncle Gordy's Smile, he was so happy to see everyone. That will always stay in my heart and mind and I will always remember that beautiful day. I know there are all together now and more Angels to watch over all of us and epically you and your family during this difficult time. I love you very much, and my thoughts are with you and everyone.
