“ *I believe our lives are measured by the way that we impact others...Gord has left a legacy, and is imprinted into the hearts of all who knew and loved him. Our sincere condolences, to all of his friends and family, who are hurting, during this sad time. ~Sam and Kelly Smith*

I catch glimpses of his features, from time to time, in each of my daughters. He will never be forgotten, by us. Part of him lives on, through their veins <3
