“ My wife was diagnosed with Parkinson's Disease at age 59. She had severe calf pain, muscle pain, tremors, slurred speech, frequent falls, loss of balance, difficulty in getting up from sitting position. She was put on Sinemet for 6 months and then Sifrol was introduced and replaced the Senemet. During this time span she was also diagnosed with dementia. She started having hallucinations, lost touch with reality. This year, our family doctor started her on Tree of life Health Clinic Parkinson's Disease Herbal mixture, 1 month into treatment she improved dramatically. At the end of the full treatment course, the disease is totally under control. No case of dementia, hallucination, weakness, muscle pain or tremors. all thanks to Tree of Life Clinic, Visit Tree of life Health Clinic website www.treeoflifehealthclinics.com ; She is strong again and able to go about daily activities.

*I want no rites in a gloom-filled room;
Why cry for a soul set free?
Miss me a little - but not too long
And not with your head bowed low.
Remember the love that we once shared,
Miss me - but let me go.
For this is a journey that we all must take
And each must go alone.
It's all a part of the Master's plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know*

“ Taylor and I loved to go out to the acreage north of Macleod and see the puppies. The yorkies were of course our favourite. Linda would take us out there but...if Grant was home we would always have to come in for a visit. Other than the truck with freight...these are the memories. He would unload about 3 pm behind the shop and we would b.s. Laugh some. He was so proud and protective of his wife and kids and grandkids. Take solace in the fact that he no longer struggles. My deepest condolences to you all.

“ It is with a heavy heart that I write this tribute to my cousin Grant Nathe, Grant was someone that as a young child I looked up to as an idol, after all he was the older and wiser cowboy from the farm in Fort Macleod. He also had two brothers Lee and Denis. I being town boy was thrilled to go to the farm in Fort Macleod where they introduced me to riding calves in the corrals, driving the truck through the fields and shooting gophers. Can you imagine the joy I felt doing these cool things as young kid? We all have memories that define who we are and I look at that time with Grant, Lee and Denis as one of the highlights of my childhood. I also remember how aunt Noni would give us giant pieces of cake and hot spaghetti sauce. As time went by I had the adventure with Grant, Linda and baby Tammy when they moved out to BC for a short stay. I am sure that they are true prairie people thus the short stay in BC. WE traveled through the park and forgot to fuel the car and ran out of gas. We walked to get gas at the nearest ranger station, I really did not remember the exchange however Grant told me later that I was rather forceful in getting some gas as we did have a baby and it was cold and we would not let her freeze. As we all know life gets in the way and our meetings were not many however we did visit Grant and Linda in Fort Macleod and were warmly welcomed as family should be! It was a pleasure to meet Tammy while we visited Noni a couple of years ago and she was dropping by to bring grandma a beer funny thing I know that Noni would bring beer to my grandma too!

To Linda and kids we send our condolences, time is the only healer and memories we have forever Love from Randy and Mickey Brandvold

“ I remember this lovely cheeky little grin which just got bigger as he got older. I felt a special connection to Grant. He was such a kind and considerate nephew to my sister and I and loved to tease. You were very much loved and wish I could have got over to see you but we will meet again.
