“ Art, please accept my sincerest sympathy to you and family. I was checking contact information for Archaeological sites in your area today and was told of Harry's passing. I remember stopping at the home place on numerous occasions and having wonderful conversations before heading out to the Buffalo Jump on your property. I know Harry will be dearly missed.

“ *Art, Alice, Jean and families.....we have lost such a dear friend....our hearts go out to all of you.....Harry was the NAnton Rifle and Revolver Club, spending countless hours teaching our young ones how to shoot and how to safely handle firearms. He was much loved by our children and grandchildren....an excellent mentor for them all. He devoted so much time to us, be it for hunting, quading, fishing in their stocked pond, picking saskatoons or crocuses, a game of crib or a nice dinner....he was always there for us. He was much loved and will never be forgotten, a rare breed that is hard to find in this day and age. Rest in peace dear friend.*
