“ Dear, Don, Pam, Carrie, Randy, Colleen, Pat and beloved grandchildren. The passing of Harvey leaves a big whole in your hearts and those of his friends.

Harvey and I shared many of the same opinions, especially our political views! Harvey was a very passionate caring man, especially when it came to his family. It was just like Harvey to pass just before seeding began so that he would not hinder a successful planting season. I know he was a good neighbour and a thoughtful community supporter. He was proud of everything he had accomplished but he was most proud of his children and grandchildren.

Harvey was precise in many things he accomplished. I have to tell you I have never visited an outbuilding that was more accurate in measurement in every way etc. than the outbuilding shed he hired Richards Construction to build for him! Over the many years working for Western Financial Group I was fortunate to meet many times with Harvey regarding his farm insurance. We built a successful customer - client working relationship. Supporting local business was important to Harvey.

Our lives seemed to intersect many times over the years. Harvey's daughter-in-law, Pam, purchased her first vehicle from us. Harvey's parents, Mr. and Mrs. Jackson, we're our neighbours, two doors down, for years. Pam was my mentor and trainer when I joined Hi-Alta Agencies in 1992. Harvey and Shirley were valued clients. I had many favourite clients over the years and Harvey was one of those individuals. His opinion and business acumen were qualities I respected.

I admired Harvey for his farming practices, his loyalty to his family and all those who loved him. He will be missed by his family and friends.

Harvey you fought a long hard battle with your health. Rest In Peace. 🙏. You and your family are in my thoughts and prayers. Thank you, to the family for your support of the High River Healthcare Foundation.

“ *Condolences to the Jackson family as they grieve the loss of their father, grandfather and brother.*

My father died in 2008 and though I did not meet Harvey until after Dad's death I know that he and Harvey visited regularly, and Dad held him in high regard.

After Dad's death, my Mom Lynda and Harvey struck up a friendship and they were companions these past twelve plus years, in which time we also got to know Harvey.

Harvey and my Mom took good care of each other and were good company for each other.

Harvey spoke often of his children and grand children and of his wife Shirley and it was evident that he was very proud of his family.

Harvey was a regular visitor to our house after the flood of 2012 as Mom was staying with us. I remember working in my flower beds on one sweltering hot day and I was struggling to dig out some junipers. I worked at it for quite a while and even though he was a new guest at my house, without a word he was standing beside me with a shovel in his hand and he made quick work of removing four junipers.

He was a generous man and insisted on paying for the meal on occasions when he joined us for a celebratory meal at a restaurant. He was also a loyal customer at my husband's pharmacy.

We appreciate having had this good man in our lives, and especially, in our Mom's life.

We are glad to have known Harvey and we know he will be missed by many.

It was an honour getting to know you and a pleasure to be your barber all these years. Rest in peace my friend. Until we meet again.

“ Our condolences to the Jackson family and friends on Harvey's passing.
Harvey was an honorable, smart and unique man who thrived on work. He loved talking about Shirley and his family, the farm, hockey and politics. I recall vividly how he supported Shirley through her illness until she passed.

I worked with Harvey for 30+ years and enjoyed his demeanor and life values.

Harvey had a quick wit and enjoyed a good laugh. He had his opinions and views which he had no trouble supporting with logic. He loved a good debate.

Investing in the farm was a priority. He always said his "retirement savings plan" was the grain stored in his bins..... of which there were many!

Keep the good memories of your life with Harvey near to your hearts and lean on them as you grieve his passing.

*Rest in Peace Harvey.

“ *To Harvey's Family at this celebration of his Life. I always enjoyed talking to Harvey and learning from his vast knowledge of farming and life in general. He made me laugh when I was picking up garbage in the ditch and asked if I was working for the MD. I also felt complimented when he said I had the same principles of the land and I was a farmer. I had the privilege to know Shirley as well and he will be reunited. Bless Harvey and the Family he leaves behind. Joyce Woolridge*

Harvey will always be remembered for his wonderful community spirit, his love of playing and coaching, the love for his family, and being one of the best farmers in the area. We always enjoyed our visits, usually at an elevator, or UFA. He could keep you on your toes, on Markets, and world events, especially things that affected Alberta Farmers. He's back with Shirley again, and will be talking with Rod Blake, everyday again! Prayers and hugs, Dave and Tammy 🙏💕*

“ My deepest sympathy to Don, Colleen, Carrie and Families , Well Harvey put up one heck of the fight and he won for a long time. I can't tell you how much I enjoyed Harvey's visits at the office and after Shirley passed away I admired how easily he could express his love for her and how much he missed her. They were lucky to have that kind of love. A farmer to the core he loved being close to the land and seeing the rewards of his hard work. “ To the Jackson Family- Harvey was a wonderful neighbor and trusted friend. He will be missed by his community of farmers in Mazeppa. When we were first married and living on the farm it was Harvey and Shirey who first welcomed Peggy into the community. Coming by for the annual Christmas visit and later inviting us into High River for their Christmas parties. He was such a hardworker and certainly achieved every goal he ever put his mind to. Rest peacefully Harvey, we will miss you.

“ Don & Pam, Colleen & Pat, Carrie & Randy and families -

So sorry to hear about Harvey. I have lots of good memories of Harv playing for the HR Flyers and having him as a head coach for 3-4 years, and then later renovating every square inch of the house that he and Shirley moved into in High River. I learned in a hurry how meticulous and fussy he was. I guess you could tell that just by driving by his farm. We had lots of laughs. I'll never forget the day I was building some cabinets in his garage when he walked in just coming from the farm and smelling like the inside of a pig barn. I told him "geez Harv, you need to hang those coveralls up outside". He looked at me and laughed and said "that's the smell of money boy.... and that's what is going to pay for your high priced bill!" He was a great guy and I'll miss seeing him. Sincere condolences to all.
