“ I was just thinking of Aunty Helen which happens often. She was always so good about calling to check on me and my family especially after my mom died. She always reminded me of how close she and my mom were. I treasured her soft caring personality and was away at the time of the funeral. I wish I could have been there! Sorry for your loss Uncle Frank, Deanna, Doug John and Lenelle! She will be missed by many.

I am deeply sorry to hear about the recent loss of your mother. With great loss comes great sorrow and a deep feeling of emptiness.
