“ This is a hard one to accept. Holly was me and my sisters babysitter/daycare when we were young kids. She taught us how to bake, crochet, arts and crafts. Endless amount of movies they had recorded onto vhs from TV, board games and cards. List goes on. She was so good for us. Holly was like a second mom to us. We lost touch and I havent seen her since 1999. Although she recently found me on facebook and we reconnected. May you rest in peace Holly. Definatly will miss you and think about you every day. Until we meet again
