

Mr. J. Brian Chipchase

August 27, 1949 - January 29, 2022

Brian Chipchase, aged 72, passed away peacefully on the evening of January 29, 2022, at home, surrounded by family, after a short battle with brain cancer.

Brian is survived by his wife of 51 years Jo-Anne, his daughter Tracey (Shane) and their children McKenna, Kaden, and Kiera, his son Brian Jr., and his child John. He is also survived by his brother Harold (Candy), his sister Bonnie (Hugh), his brother Bev (Sue), Jo-Anne's family, David (Betty), Buster, Mary Jane, Michael (Chandell), John (Darla), Patricia (Eugene) and numerous nieces, nephews, and cousins.

He was predeceased by his mother Betty, his father Ross, and his sister Lorna (Bill), his in-laws Terry, Tony and Peggy.

Brian was born in Alliston, Ontario to Betty and Ross Chipchase. He grew up on a farm in Essa Township, Ontario and attended grade 1-8 at S.S. No. 6 School and grade 9-12 at Barrie Central.

Brian met Jo-Anne in St. Catharines, Ontario in 1970, and they married the following year. Brian, Jo-Anne, and their daughter Tracey moved to Alberta in 1972 and lived in Edmonton. In 1973, Brian received a job offer to work for AGT in Calgary. This was the start of a long, rewarding career. Their son Brian Jr. was born in 1974. In 1979, Brian started building the home that he resided

in until the very end. Brian retired from TELUS in 2002 after 30 years of service.

In July 2007, he survived a motorcycle accident that left him a paraplegic. He did not let his disability limit his life and continued to do the things he loved.

Brian had many hobbies throughout the years. From September to the end of November, you could find him scouring the mountain side for the next big game animal to be mounted on his wall. He used the knowledge he gained from hunting to lead him to his retirement career of teaching others in the proper techniques for the safe handling of firearms and ammunition.

His love of Mustangs lead him to spend most of the last years dedicated to Eamon's Garage and Museum. However, his heart and soul were forever dedicated to his grandchildren. His greatest regret was that he was not going to be around to see them graduate High School, attend university, get married, or become parents.

A Celebration of Brian's Life will be held on Friday, February 11th at 2:00 p.m. at the Highwood Memorial Centre in High River. Please note: The REP program has been removed, masks will still be mandatory.

For those unable to attend, a Livestream of the service will be available on Brian's Tribute Page at www.lylereeves.com .

If desired memorial donations may be made to Rowan House Society - www.rowanhouse.ca ; River City Classics or the Eamon's Garage Historical Society - (Box 5911, High River, AB, T1V 1P6) or etransfer to memberships@rivercityclassics.ca .

*I was just made aware of Brian's passing via a subdivision neighbor. I considered him as a best friend .At AGT my supervisor kept saying pick a person to complete your job as I have another for you to begin. I always chose Brian and Dave and it was always completed perfectly and they would join me later. Be it Blackie, Okotoks. Pdiddis etc. I always loved his smile be it mischevious or not. We had Poker nights with Chuck, Wayne, Brian and Marshall. Always FUNN. I do not enjoy the table now being alone.
A GR8 guy JO and the best to you and family.*

“ *Joanne Tracey and Brian,
I was so sad when I heard of Brian’s passing. He was larger than life and I always enjoyed his stories. Working with him over the years with the High River Ducks Unlimited Chapter was a pleasure. Brian and his brother Harold came out to the farm and tinkered with Mel’s big old Mercury and helped me get it ready to sell. I was always amazed at how positive Brian was after his accident but I am sure there were dark days to. He was a community minded guy and worked with so many different clubs and groups over the years. I will miss him.
Thinking of you today. Sincerely

“ I met Brian, maybe 45 years ago when I was starting to build a house in High River. Since then, we hiked in the Kananaskis Provincial Park, did annual bike rides up to Highwood Pass until the mid 2000s, went to Manzanillo MX with Brian and Joanne, hosted them at our Condo in La Cruz Mexico, and had periodic visits on Pizza Thursday.

Brian was generous with his time and knowledge. He really liked being busy doing renovations and later restoring cars. He was willing to tackle just about any job and always completed everything the right way.

He is sorely missed for his sense of humour and his indomitable spirit!. His friendship will not be forgotten!

“ So sorry to hear of Brian's passing. Our thoughts and prayers are with the entire family. Brian was a true kind hearted gentleman who was dedicated to a life of giving. He was a quarter century club member of The Alberta Hunter Education Instructors Association and was truly one of the finest instructors in our Conservation Education and Firearms Education programs. His selfless efforts over the years touched the lives of many thousands of Albertans of all ages. I will miss his regular visits to our offices and I will miss his upbeat happy demeanor. On behalf of all of us at AHEIA / WISE and the CFSC our deepest condolences to the family. Brian and his legacy of giving will not be forgotten! Bob Gruszecki

“ Ted and I want to extend our deepest sympathy to Joanne, Tracey and the entire Chipchase family. May you feel God's love, comfort, peace and strength at this heartbreaking time. You are in our prayers. ❤️🙏👍

I just wanted to share a few thoughts about Brian.

Ted and I had the pleasure of spending some one on one time with Brian and his Sister Bonnie when we stopped in during our trip West in 2018. I can say I will never forget the LOVE and KINDNESS shown to us even though our visit was short. One thing that INSPIRED me the most about Brian was his LOVE of LIFE. Even after his motorcycle accident his SMILE continued to SHINE BRIGHTLY. He was one of those guys who didn't let life's circumstances stop him from living his life with PASSION and JOY. He was the One who seen the half cup as being full even though life had thrown him some pretty tough trials. May his smile and heart live on through those who loved him.

You are all in my heart today Joanne and Tracey and may you be comforted with strength and peace knowing that Brian has touched so many hearts in this wonderful journey called life. ❤️❤️❤️

“ Joanne, Tracy, Brian, Harold & Candy and the Chipchase family, please know our thoughts and prayers are with you all, as you mourn the loss of your loved one, Brian.

There are people in your life that cross your paths and you immediately click. Maybe, it was that all three of us were 49ers, as we like to call ourselves. Brian was the guy that would phone us on Friday and say, “Hey I’m on my way to Nanton for their parade in the morning and they need some convertibles for the dignitaries, can I count on you to be there and help them out?” “Sure, Brian, for you we’ll be there”, would be our answer. Maybe, it was Brian’s love for the Classics, cars that is, but especially his love for all Mustangs that drew that bond between the Chipchase family and ours. Brian was involved with the River City Classics car club and so were we but when the Club decided to go ahead and move, renovate and relocate Eamon’s Garage, Brian was all in. He was the guy, with Harold’s help sometimes, that hung drywall, painted, pounded nails, built cupboards, found kitchen gear at auction sales, oversaw some badly needed windows being installed and then at every chance sold tickets on tool storage sets & cars so he could add washrooms onto the garage and build more! Yes, he single handedly, almost, sold tickets like no one had ever seen and balanced to the dollar when the draws were over. But, behind every successful man was the woman, the love of his life, Joanne. She’d help shuttle vehicles to parades like Nanton and pitch lumber into his van, so he could build to his hearts content at Eamon’s Garage. He proudly wore his Eamon’s Garage t-shirt and rightfully so. Thank you team Chipchase for the contributions you all made to the Club. Yes, even the grandkids were all in, whether a parade, Kids Kamp or Brian’s favourite cruise to the Kananaskis for his annual delicious steak fry. Good times for sure but great memories that each of you can hold near and dear to your hearts and keep forever. Will Brian be missed? There is no question, of course he will be, but he would want us all to remember him as the guy who never let the word “can’t “ belong in his vocabulary! Rest In Peace, dear friend 🙏

“ Bruce and I send our deepest condolences to Jo-Anne, Tracey, Brian and their families.

Brian taught me hunter education and firearms safety at a young age and introduced me to mountain hunting and fishing. Bruce also learned a great deal about hunting from Brian. We are both forever grateful for the times spent out in the hills with Brian, Jo-Anne, and the rest of the crew over the years. Those days spent hunting in the hills were also how Bruce and I met.

RIP Brian. It has been a pleasure knowing you most of my life. It was also a pleasure being your neighbour the last few years (Kristie) and over 30 years (Bruce). Gone (too soon), but not forgotten.

My thoughts are with the Chipchase family at this time. Brian worked for northern telecom back in the day in Ontario. Great worker. His first cousin Wilma, my wife, and I have fond memories Of going going to the family farm at Thornton.
