Jack went to school with me - at Erle Rivers High, Milk River. Our class was a close knitted group and I remember several years ago, talking to Jack on the phone for about an hour, about what had gone on in our lives since we left High School. And then, just last year we attended a BIG Reunion and "Oh, my the stories we all had to tell !!!". It was so sad to hear of his passing. Sending my Condolences to his wife and family.
