

Mr. James Douglas Bradley

January 17, 1951 - September 28, 2020

Doug leaves behind his wife of 48 ½ years, Cathy; Children and Grandchildren; Michelle (Glen); Mike (Ashley); Jimmy - Amy, Izak, Owen; Barb – Rosie, Charlie, Tucker, Chewie, Karma, and Lena.

Doug was born in Mission City, British Columbia and came to High River shortly after. He comes from a family of 11 brothers and sisters.

He began his plumbing career in the late 1970's at High River Plumbing & Heating and started his own business, Bradley's Mechanical in 1980. He has been busy in the High River community ever since. He was the kind of man, that if you called weekends or nights, he would go "fix the problem" and many times at no charge.

Doug loved sports and hockey was number one, even though he started playing late in life – he was such a lover of the game. He would play in the annual Boxing Day Tournament – sometimes six games in one day! He was playing hockey in August of this year. Doug loved baseball, played pickleball, any kind of street hockey and of course loved all water sports.

He was an amazing water skier, wake boarder, air chair, knee boarder and taught many, many, many children over the years how to knee board, ski, anything they wanted to learn. The boat would go from sunrise to sunset

pulling any of his little children fan club. His most memorable time was spent at his favourite lake, Dickie Lake.

Doug loved to dance and was an incredible dancer. Doug and Cathy hosted three celebrations for milestone anniversaries, their 25th, 40th and 45th and danced the nights away.

When you think and talk about Doug, the one phrase that all say is, “He is the kindest man I know”, “Would give you the shirt off his back”, “Do anything for anybody”.

At Doug’s request, there will be no funeral. A “Tribute” to Doug’s life was held on Sunday, October 11th at the Royal Canadian Legion Branch #71, 25 – 8th Avenue SE, High River, AB.

In lieu of flowers, a Go Fund Me page has been set up in Doug’s name, so we can do “Acts of Kindness” for people in our community. <https://gf.me/u/y2hfn4>. We accomplished our first act of kindness in our community, by providing a teen with a new bed and grocery voucher.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“*Dear Cathy, Michelle, Barbie, Michael and the entire Bradley family,*

Please accept our deepest condolences. We are so saddened to learn of Dougs passing what a loss, he has left this world way too soon. He was absolutely one of a kind; such a great guy who loved and adored his family. He always had time to stop and chat and share a story. We remember the " semi-retirement" story he shared with us at your Anniversary Party: he was so happy. " I would get home and text Cathy and let her know her Ceasar is waiting for her.

We are so very sorry for your loss and are keeping you very close in our thoughts and prayers,

“ Doug was one of the few truly kind people we meet during our lives. He left us too soon and will be missed. I enjoyed taking Doug for a drive from time to time when I was working in Drumheller. There are too many good memories to write about but will be with me for the rest of my life. Thank you Cathy for being a great partner, and to those who loved him.

“ Cathy and the Bradley family, it is with much sadness that we add our condolences for the loss of Doug. We once lived on the same block in Wallaceville so had the opportunity to watch the Bradley kids grow up. Doug was always good for a quick talk, a smile and a laugh. God's hockey team just gained another winger for the team and I'm sure he will be welcomed with open arms. Rest in peace Doug.....Bill and Sandy Burgess and family.

“ Our heartfelt sympathy to Cathy and family. Doug truly was loved by everyone that ever knew him. I have fond memories of waterskiing with Doug and of the many games of hockey we played together. Doug convinced me one day that he was a good luck charm when it came to tournaments and he was right, we won a few big ones with him on the squad. He installed the heater in our shop and I'll remember his warmth and kindness every time it kicks in! We'll miss him always.

I played on three different hockey teams with Doug over the years and I can say without question he was one of my favourite teammates. I had the pleasure of meeting Doug (and Alfie) while they tied in plumbing / heating to my home - Socket & I will be forever grateful for there help. I still hear Doug's laughter when Socket ran past Doug's tool box and stole a screwdriver trying to get Doug to chase him. Doug had a beautiful soul & spirit. “ *Doug was more than a cousin to me. At a very vulnerable period in my life and as a struggling mother of three preschool children he took me and my kids out for a day at the Calgary Stampede. This was over 30 years ago and yet still remains the most kind and generous gift one has ever given me. It was not just a gift of money spent on entertainment and fun but much more important and valuable it was a gift of his time and attention. He was always such a kind and generous man and will forever be remembered and cherished.*

“ We are so sorry for your loss Cathy, Michelle, Michael and Barb. I will truly miss having coffee with him and our nearly daily phone calls. We enjoyed him stopping by for tea and having a laugh. He never left without putting down \$5 to share a lottery ticket. Doug was always there, whether you needed an extra player for a hockey game or a ball game or just a hand. His beloved Dickie lake will miss him and his energy. We will always miss you Doug. Fond memories will help us all through this difficult time. Joe and Jane Russell

“ Doug was one of my heros in life. The last time I saw Doug was at his brother Glen's funeral and he said to me, Jim do you remember how we used to catch pigeons in all those old abandoned farm houses. I told doug that I remembered every moment we ever shared as kids and later on in life. Doug was always my protector and many other people's as well. Doug was truly one of the kindest and bravest people that i ever met. We had lots of fun together and my life was mush richer for his friendship. My heart goes out to Cathy and family. May you rest in peace Doug, you will always remain my friend.

“ *Wow, what a shock and yes what a great guy! Always upbeat, positive and always on his way to do something,,hockey, ball etc. and wanted you to come along. He probably played more hockey games than anyone I know. Gone way too early, but left his mark and will be missed by so many!*
