“ Jim will be greatly missed. We had a lot of fun playing Pictionary together at family get togethers. Although we didn't have much of a chance playing against the girls because both Jim and Derek and myself have a hard time drawing stick people. Both Jim and Karen have always made me feel apart of the family. Love Tom, Johnathan, and Natalie

“ Sending prayers of peace, hugs and kisses to you, grandma. Grandpa Jim was always kind and sweet. I have many happy memories visiting you both in London. My favourite are all the sleepovers, we always spent our days on fun adventures. Thinking of you and wishing you moments of peace and comfort as you remember grandpa Jim.

“ I will miss you so much Daddio. It is hard to believe that you are gone. I will miss the funny things you said, the silly clothes you made, and the phrase "whatchamacallit", every other sentence. I was happy for having you as my father. I hope I will be blessed to see you again.

Love, from Derek Jay Murtagh
