“ Jane will be missed by all whose lives she touched. I have lots of great memories from teaching her in grade 5 at Spitzee. She always had a kind smile for everyone and her positivity and enthusiasm for everything was contagious. Jane was one of those students who just loved everything she was doing. She will forever be cemented in my heart. She truly was a gift to teach. Sending my thoughts and support for Janet, Martin and Mark.

“ Ohhhhh sigh.

Sweet sweet Jane! It saddens me to know of the loss of her. When i first met Jane....i thought they said Jade was her name so i called her Jade for a few years. She never corrected me. Lol. She just smiled and hugged and we would talk and visit. It wasnt until at a grad party her mom said JANE! Wait! What?! JANE!?? lol.

Jane, from the moment i saw her, i thought she looked just like the gorgeous fish off of sharktale the cartoon. What a beautiful girl! She will be forever in my heart. Im looking forward to welcoming her back. My thoughts and prayers go to the family and to the many who loved her. ❤️

“ Thinking of the Bimo family today and every other. Jane was one of my best friends before she moved schools and I will forever cherish the memories we made together. Even if she was in pain she would always put others before herself, and her smile lit up every room she walked into. I will miss her greatly. My thoughts are with you Janet, Martin and Mark

“ Jane was in our home on several occasions and made a trip to Utah with my daughter Sarah to see the One Direction concert. Always kind, gracious, caring and a good friend. Jane had the biggest and brightest smile, it was always so warm and contagious. She was a good soul who loved life, her family and her friends. The world is a little darker knowing that we won't have the bright smile meeting us. Our thoughts, prayers and our hearts reach out to you all. We will all mourn the loss of a life taken too early.
