

## Mr. Jason Curtis Brown

January 15, 1974 - September 5, 2025

It is with broken hearts and profound sadness that we announce the passing of Jason Curtis Brown on Friday, September 5th, 2025, while surrounded by the tremendous love of his family, after a courageous battle with cancer.

A beloved partner, devoted father - so full of love and pride for his children, cherished son, the best big brother, an amazing uncle, cousin, nephew and loyal friend. Jason left us far too soon, leaving behind a legacy of love, laughter, and selfless kindness that touched everyone who knew him.

To know Jason was to experience true loyalty and generosity. He had an infectious laugh, a calming presence, and a natural way of making people feel seen and cared for.

Jason was the kind of person this world needs more of — always willing to help, never judging or asking for anything in return. His heart was open to all, and his door was too.

His spirit lives on in the countless lives he touched, the stories he shared, and the quiet, everyday acts of kindness that defined who he was.

Jason's memory will forever be held close by those who loved him most, and he will be deeply missed by all who had the honour of knowing him.

Jason is survived by his partner Kym Barton, his children Sadie and Reid Brown (Julie), his parents Marilyn and Rick Brown, his sister Lori (Drew) Nolan, his niece and nephew Jordan and Ethan Nolan, and by the many aunts, uncles, cousins, nieces, nephews and friends that adored him.

Memorial donations may be made to St. Paul's Anglican Church - etransfer to [mcestreasurer@stpaulscalgary.ca](mailto:mcestreasurer@stpaulscalgary.ca) - please provide name and address for tax receipt.

A Celebration of Jason's Life will be held at Highwood Memorial Centre in High River on Sunday, October 5th at 1:00 p.m.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ Jason was a friend of mine. Our paths didn't cross for the last few years. But the world seem lonelier without you here. I will miss your positive manner and charismatic smile. You were loyal to a fault and would not turn your back on someone in need. I will miss you Jason Brown, so long friend, until we meet again.

“ Ricky,Marilyn,Lori and extended families we send our deepest sympathies for the loss of Jason.Our hearts go out to you all. Although we haven't seen him for a few years I always remember him as a friendly polite guy. What stands out the most is that he was an AMAZING baseball player in his youth.

“ *Julie, Sadie and Reid - Thinking of you at this difficult time. The best memories I have with Jas, were always around a campfire with a few too many wobbly pops. Something I will forever treasure. His laugh and infectious smile were one in a million.*

*Lean on each other to get through. Love and hugs to you.*

*I will forever remember Jason's smile. His smile could light up a room and when you saw him smile at Kym it would light up your heart. I was so fortunate to have had Jason be a part of my life. His kindness and caring nature was felt by all those around him. To the Brown family and Kym Barton and family my deepest sympathies. The next journey will be the road to healing. Shalom*
